

# The Return of the EH3 Rail Trail!!!

**Saturday 15<sup>th</sup> June 2024**

As a pre-lube to our 40<sup>th</sup> Birthday event on 17<sup>th</sup> June, Pulled Out will be having another rail trail along the River Crouch Line.

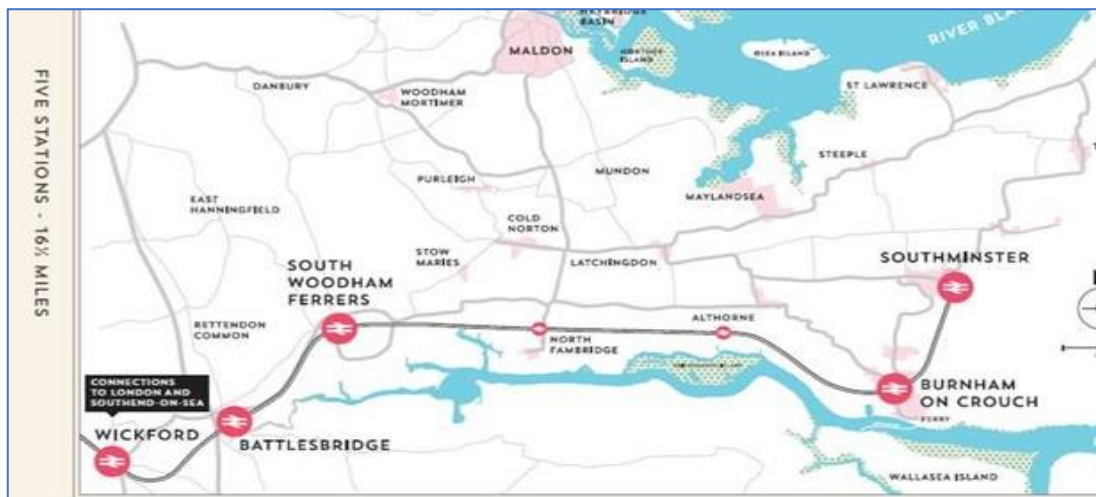

We will be drinking at stops along the way and letting the train take the strain between them.

5 stations, 7 pubs including 1 micro pub & 3 taprooms, including many CAMRA favourites!

For many, best approach would be to buy a Wickford to Southminster std day return ticket. Fare as at 1<sup>st</sup> Feb £11.80 (may be a discount with railcard). If you want to run, possible opportunity to run between Southminster and Burnham.

Route:

Further details on start timings etc still to come. It will be possible to join in for sections as progress will be messaged out on WhatsApp.
