

The mission of the Lakeview Area Public Library is to offer a family-oriented community center that serves to stimulate the development of intellectual curiosity and provide resources to the entertainment and enlightenment of all.

The Sandy Lake Community Library was formed in 1949 and was housed in the Sandy Lake Borough Building in a single room. In 2004 the library reorganized as the Lakeview Area Public Library. The library remained there until 2011 when it was gifted a property on East Lacock Street. In October of 2018 the library moved to our present location on South Main Street in Sandy Lake. In December of 2018 the lot adjacent to the present location was gifted to the library by Janet Ebbert to be used as a future facility.

Our goal is to continue to improve our services to better serve the Area Community. We are working to provide professional staffing and a new facility in the future.
