Meet the brilliant writer, fiercely independent mother, and passionate woman who captured the heart of C.S. Lewis and inspired the books that still enchant and change us today, from the New York Times bestselling author of *The Secret Book of Flora Lea*.

When poet and writer Joy Davidman began writing letters to C. S. Lewis—known as Jack—she was looking for spiritual answers, not love. Love, after all, wasn't holding together her crumbling marriage. Everything about New Yorker Joy seemed ill-matched for an Oxford professor and the beloved writer of *The Chronicles of Narnia*, yet their minds bonded over their letters.

Library membership is required to borrow the book. Sign up at the library or call us. Copies are available to borrow through the library. You will be called when your copy is available. Books are due the day the club meets.

Hotspot Service Has Ended

We have received word from the director at the Greenville Library that the hotspot service program has ended. I have included message from her giving you some more information. Please read below.

"I had hoped to be able to give you more warning, but the hotspot service provided through the library will end today, February 20. I'm sorry for the inconvenience I'm sure this will cause.

I reached out to T-Mobile last week to try to see when our service would be good through and found out today that the service billing goes through the 20th... today. Since the service was through the Emergency Connectivity Fund, which only funded us for a 12-month period, we cannot continue longer with this.

If you'd like to continue using your T-Mobile hotspot, you can take the hotspot to a T-Mobile store and get a new SIM card. According to a quick search, the closest store would be next to the Walmart in Hermitage (1037 N Hermitage Rd, Hermitage, PA 16148). This would require you to pay for a monthly service (and possible for the SIM card (\$10). I am looking into other options that may be lower cost through the library, but do not have anything set up at this time. If I find other options, I will be sure to reach out to you."
