About Superhoe

Raised on the seductive island of **Miami Beach**, enterprising stripper **Hollie Ween**'s life was forever changed when she blessed an ancient wizard a mind-blowing lap dance on Halloween night. The drunken sorcerer was so pleased, he gifted Hollie with a magic gold amulet and instructed her to say the name '**Superhoe**.' Hollie was struck by a sudden bolt of freak energy and transformed into the Hottest Rapper In The Multiverse—Superhoe! In her magically empowered form, Superhoe is virtually indestructible, able to fly and can generate magic spells that enhance desire and sexual pleasure. With her new superpowers, Hollie's entrepreneurial mind went into overdrive.

Superheroes can't fight crime and save lives around the clock. Sometimes they need a place to go to get away from it all, a place where they can relax and do the things they want to do. In the entire **Multiverse**, that place is the secret hideout **Superhoe's**. An ultra-exclusive lounge and high-energy nightclub, Superhoe's lavish decor, dynamic lighting, and striking architecture, offers its guests a hedonistic entertainment experience unsurpassed in this universe or beyond.
