I AM ROTARY

For the past 64 years the Rotary Club of Florissant and the Florissant Rotary Club Foundation has been an integral part of charitable giving in our local communities of North County and beyond. Our giving has gone as far as Udapi India and as close as Halls Ferry Road. Among other charities, we have funded scholarships for high school seniors, a major contributor to the Emergency Room at DePaul Hospital and freezers at TEAM (our local food pantry). We have been a mainstay for the missions of Christian Hospital, Marygrove and DePaul Hospital.

Truly we are People of Action.

And YOU and your generous hearts have been key to these successes. For the last 45 years you have come out to our annual dinner auction. Your generosity has enriched our coffers and made so many projects a reality. In the last 10 years alone you have made possible donations to over 250 charitable entities.

As Rotarians, we are truly proud of our many successful efforts made possible through our motto of Service Above Self. But always aware that your generosity plants the seeds that grow into so many opportunities not only in our community but also around the world. Join us in proclaiming

I AM ROTARY !

in the WORLD**
