# HOW WE CAN HELP YOU MAXIMIZE EXPOSURE...

**WE HAVE EVERY TOOL YOU NEED.....**in order to maximize the exposure to your property and for your potential buyers and tenants to find out everything they need. One such way is through the ruler tool, where your potential clients can measure a space to see, for instance if their furniture, such as a queen-size bed or sofa can fit into a certain room.

**THE MATTERTAG** is a tool we use when presenting your unit for people to see in 3-Dimensional space. These circular shapes show up in different places and when viewers hover over them they will then get a description of what they are seeing, such as the Jenn-Air Single Wall Oven below.

“OUR HOUSE WAS ON THE MARKET FOR JUST TWO DAYS....”

# SCAN THE QR CODE

For only \$20, have a yard sign with a QR code that passers by can scan onto their phones, immediately taking them to the 3D Matterport view of your property.

Click on the QR code on the sign below to see how it works!
