

Home EMF Tracing  
Andrew M. McAfee

## Agreement

Home EMF Tracing and Andrew McAfee (“Consultant”) provide consulting services related to Electromagnetic Fields and related issues in the home. Those services include measurement of and consultation regarding the following:

- 1) Magnetic fields;
- 2) Radio/Microwave radiation;
- 3) High body voltage;
- 4) “Objectionable” current; and
- 5) “Dirty” electricity.

Consultant does not perform electrical work. Consultant will work with an electrician chosen and retained by the Homeowner, at the expense of the Homeowner, to assist with remediation of issues identified by Consultant. Consultant assumes no liability with respect to work performed by an electrician or other professional retained by the Homeowner.

Consultant may find electrical problems in the home using conventional meters and techniques but is not responsible for correcting them. The Homeowner takes full responsibility for the home, conditions within the home, and all decisions and consequences related to the electrical functioning of the home.

Consultant does not provide medical advice. The Homeowner is responsible for consulting with medical professionals for medical advice and treatment.

**By scheduling an appointment for a Home EMF Tracing, Quick Check, or phone consultation, the Homeowner agrees to the terms of this Agreement and acknowledges full responsibility for the condition of the home, personal effects, health, body, and persons living in the home.**
