

MALGAMTM

Established in 2013, Malgam Ltd. is a UK based product supply partner for various distribution channels across Europe.

Recognised as a specialist tissue paper & glassware manufacturer and supplier, we pride ourselves on providing top quality goods, without compromise.

Malgam Logistics Ltd, our sister company, is recognised as one of the UK's top international logistics service providers.

Through this close alliance, we control every aspect of the production and distribution process in-house meaning when we make a commitment, we deliver.

Offering the customer complete flexibility, reliability and transparency are at the core of all we do. It's vital to us that the customer feels they are dealing with a partner rather than just a supplier.

Whether it's more information on any of the products displayed, assistance sourcing goods not included in this brochure or international freight of your goods, please do not hesitate to contact us today!
