## **FROM OUR SENIOR MINISTER**

Rev. Dr. Elizabeth Bingham

### **FAITHFULLY YOURS**

February has several notable days: Lincoln's Birthday, George Washington's birthday (though they have morphed into President's Day), Groundhog Day (which probably matters more to cold and snowy places than to sunny Southern California.)

The favorite though, I am sure, is Valentine's Day. How could a day filled with flowers and chocolate and sweet cards and of course, romance, not be a favorite holiday? Admittedly sometimes it carries sadness for those who have lost their loves or never quite found a love.

But as I think of Valentine's Day I hear a song from the movie "Oliver." It asks the question for those whose mailboxes are empty or who didn't get a card in their box in their classroom—"Where is love? Does it come from skies above? Is it underneath the willow tree that I'm been dreaming of?"

But we know the answer! Whether or not we realize it, we know the answer to that question.

Where is love? Love is at the dinner table when we share our days. Love is when a little one is kissed good night by a mom or a dad (or a grandparent). Love is in our families, however complicated our family might be—love is there!

Where is love? Love is in the friendships that bind us to another—sometimes for years, sometimes for a moment—but a friendship that encourages us and supports us and can be gently honest with us. In friendships where a call in the middle of the night is always answered, when even the worst part of us is loved anyway.

Where is love? Love is in the romance that somehow sparks with another who becomes a soul mate, a partner, someone who puts a smile on our face and stars in our eyes.

But where love is really...Where love is always...Where love is that never goes away...that love is showered upon us by the God who loved us so much that God's only son came to dwell with us and bring God right to us. Love is from the God whose love is unconditional, a love which is so strong that we can't help but share it with all of God's children.

So...when you start sending valentines, remember who loves us no matter what, no matter when—who loves us with a love that is everlasting, forever and ever. Amen! And again I say Amen.

*Love and blessings to all, Beth*

## **TRUSTEE NEWS**

Diane Delaney, Chair

We are working on several campus projects. Our beautiful pool has several significant cracks that we must repair so our church family can use it this summer and Aqua Buddies can resume their swim lessons as planned in April. We are also working to remedy flooding of the sanctuary hallway and music room, which we experienced in the torrential rains in January.

We are almost done preparing our 2023 Budget which we will present to the Congregation for approval on Sunday, February 26, immediately after the worship service. We rely heavily on pledges, weekly offerings and donations from members and friends to keep our church running. You will hear more about our 2023 Stewardship Campaign, "Our Church, Our Community, Our Responsibility" very soon!

If you have any questions about your Pledge or making a financial donation, please contact the Church Office. Thank you!

## **DEACON NEWS**

Greg Abbott, Chair

The Deacons met on Sunday the 22nd. We reviewed the success of the Christmas families program; thank everyone for your participation.

For now, we will continue doing Communion with the dual purpose cups, and will continue to hand out envelopes to help rebuild the Deacons' Angel Fund. We have been successful so far but we still have a ways to go. Thank you all for your generosity.

We also discussed lectern supply. In the past, when we have had only a Senior Minister, one of the duties of the Deacons was to fill the lectern. As of now, we have five Deacons who are willing to serve. This doesn't mean that we will be the only ones up there as I know that there are others who enjoy serving.

Till next month, Greg

### **SAFE IN HIS ARMS!**

*Behold, the Lord's hand is not shortened, that it cannot save;  
neither his ear heavy, that it cannot hear.* Isaiah 59:1

Allstate insurance company advertises "YOU'RE IN GOOD HANDS WITH ALLSTATE." They would have you believe you can trust that they will come through when you need them.

I submit for your consideration that you understand even better than Allstate—YOU'RE IN EVEN BETTER HANDS when you are in God's hands. God's promises are true and his power is unlimited. He says to you today, "When (not if) the enemy comes in, LIKE A FLOOD God will lift up a standard against the enemy."

God does not promise that we will be freed from opposition or problems. But He does promise to be with us in every situation, to watch over us, deliver us, provide a way of escape, and give us the wisdom to know what to do and the ability and strength to do it.

Trust in Him. Have faith that He will bring you victory in every situation and work everything together for good. You are in Good Hands when you are safe in His Arms. **Believe it! Curtis** [Revisiting Curtis' article from the March 2021 Chiming In.](#)

Dear Mrs. Jones,

I wish to clarify that I am not now, nor have I ever been, an exotic dancer. I work at Home Depot and I told my daughter how hectic it was last week before the blizzard hit.

Her picture doesn't show me dancing around a pole. It's supposed to depict me selling the last snow shovel we had at Home Depot.

I PICKED UP A HITCHHIKER LAST NIGHT. HE SEEMED SURPRISED THAT I'D PICK UP A STRANGER AND ASKED, "THANKS, BUT WHY WOULD YOU PICK ME UP? HOW DO YOU KNOW I'M NOT A SERIAL KILLER?"

I TOLD HIM THE CHANCES OF TWO SERIAL KILLERS IN ONE CAR WOULD BE ASTRONOMICAL.

This is 9-year-old Joshua. He recently had to go in for surgery and was so nervous that he brought along his stuffed wolf. The wolf had a tear in its leg, so Joshua asked if his doctor could do a wolf surgery too. His parents said "no"

But when they walked into the recovery room to see their son, they discovered the little wolf laying next to him this time, with a surgical mask, a little cast, and surgical quality sutures in his leg. We think the entire surgical staff deserves some serious respect and love for this act of kindness.

## **SPECIAL EVENTS NEWS**

### **ANNUAL BUDGET MEETING: SUNDAY, FEBRUARY 26**

Plan on attending our congregational meeting on February 26, following our Worship Service, when the Trustees will present their proposed budget for the 2023 year. This meeting presents an opportunity for members to ask any questions and discuss thoughts prior to voting on our budget. It is an important meeting! The budget reflects who we are, what our needs are, and how we see ourselves moving forward into the future.

### **FIRST ANNUAL MLKJR DAY CELEBRATION**

Our Racial Equity Group held a very successful all church / all community wide event in celebration of diversity and inclusion on MLK Jr weekend, called, "A Seat at the Table." There were about 80 people in attendance. Live music was provided between acts and during dinner by the musical duo, singer Savi and pianist Joshua Levy. Raye Zaragoza, singer/songwriter and daughter of our own Shirley Zaragoza, sang her touching original song, "American Dream." Then District Councilwoman Nithya Raman and California State Assembly, 44th District Representative, Laura Friedman, joined our event and presented brief but eloquent messages after which Shirley Shuga Zaragoza shared a very touching story about her life as an Asian American immigrant. And finally, Conscious Rapper, Wilson Sandoval and DJ Irving Keys closed out our evening with a positive, energetic rap!

Beautiful and meaningful art displayed around the hall was provided by Jane and our COTC Youth. In addition some stunning, original paintings, created by our young budding artist Anna Luker, were on display. Plus a delicious Italian dinner prepared by Wolf was served.

Special thanks to our evening's MC, Shawn Burkley, to our ministers, Dr. Bingham and Rev. Peek, to our Racial Equity Group members, and to all others who contributed and helped with setup, food service and cleanup!

### **LOS ANGELES HOMELESS COUNT 2023**

Our church hosted the 2023 LA Homeless for the Sherman Oaks area on January 24th. Beth Bingham, Diane Delaney, Hayley and Hilario Cabral, Jane Poole, Joi Staves and John Sullivan along with about 60 community members volunteered to ensure all the census tracts were successfully counted!

The count will tell us how many people in LA experience homelessness at this point in time and provides year to year comparisons and trends. This data helps organizations to secure the necessary funding and supportive services that are needed.

### **HOW DO YOU SPELL LOVE?**

Amour, Amor. Amore, Liebe, Yêu, Mohabbat, Tresna

The month of February and Valentine's Day...and therefore love...have become synonymous. Some people think this day is one made up by Hallmark to increase profits. However, after doing a little online sleuthing, I found out the first Valentine's Day was in the year 496! In fact, Valentine's Day is a very old tradition, thought to have originated from a Roman festival. The Romans had a festival called Lupercalia in the middle of February – known officially as the start of their springtime. Another popular story is that it originated as a Christian feast day honoring two early Christian martyrs both named Saint Valentine and, through later folk traditions, it has become a significant cultural, religious, and commercial celebration of romance and love in many regions of the world.

For me, the aspect of love is one that connects us as humans. Respecting one another, loving unconditionally, and, going out of the way to do something for someone you care about.

With more sleuthing, I found out that in the Bible God exclaims His love for us 310 times in 280 verses. The word "love" is discovered 131 times in the Old Testament and 179 times in the New Testament. Jesus' commandment from John 13:34-35 says it all, "And so I am giving a new commandment to you now - **love** each other just as much as I **love** you. Your strong **love** for each other will prove to the world that you are my disciples." Let us all follow Jesus' example and commandment to love ALL our neighbors. Those who we don't know but need our love, perhaps more so than those we do know.

With peace and love, Jane ...and don't forget to spend quiet time with God!

## **STAVES CHAPEL~STAINED GLASS WINDOWS** Joi Staves, Publisher

At the time Staves Chapel was dedicated in February, 1952; the eighteen windows were plain glass. The stained glass windows depicting the history of Congregationalism from our roots in England to the founding of Church of the Chimes replaced the plain glass through the generosity of donors over the following few years. Pictured below is the final stained glass window of the Chapel's eighteen windows along with an overview of its significance. On the opposite page are the previous seventeen windows featured in earlier editions of Chiming In over the last eighteen months. I hope this bit of history on our church's history and the Chapel's stained glass windows has been enlightening.

### **18: CHURCH OF THE CHIMES:**

This scene shows the Sanctuary with the bell tower that never was. At the corner of Hazeltine and Magnolia, Congregationalists found a 5-acre estate owned by Dr. and Mrs. William Hamilton. Spacious grounds surrounded a large two-story home with a swimming pool just off the patio and a substantial barn located at the rear of the property. It was perfect for the growing family church, however, the asking price for the estate was \$85,000, and the church only had \$55,000. Dr. Staves called on Dr. Hamilton and discussed his plans and dreams. In the course of their conversation, they discovered that they were both from Iowa, that Dr. Hamilton had retired from a successful OB/GYN practice, and further, that he had attended the birth of Mrs. Staves in Marshalltown, Iowa. Dr. Hamilton and his wife talked it over afterward and agreed to sell their property to the church for the amount the church could afford. What a blessing the church received!
