

## **Diane M. DeSantis**

Diane DeSantis has over 30 years of experience in medical practice management and medical billing. She is President, owner and founder of New England Accounts Receivable Management, Inc., a healthcare billing and consulting company founded in 1988. With Katz & Associates she has assisted in restructuring the coding and billing functions of several medical practices and has participated in numerous chart audits.

Prior to opening NEARM, Ms. DeSantis managed the Division of Urology at Children's Hospital, Boston and other multi-specialty practices including Highland Medical Associates, Sports Medicine and Sports Conditioning Center. She has her A.B., with honors, in Medical Secretarial Sciences from the Chandler School for Women and her A.S., with honors, in Business Management from Fisher College. She is an active member of the Health Care Billing and Management Association, with certification as CHBME and the Medical Group Management Association.
