ASSOCIATION [www.migca.org](http://www.migca.org)

## 2025-2026 Membership Incentive Program

The Michigan Interscholastic Golf Coaches Association is pleased to continue to offer a progressive membership rate to our coaches, based on the number of coaches that join from each school.

The rate will follow the schedule below: Please note our membership cycle runs August 1- July 31.

For the first two coaches (who are typically the varsity coaches) - \$50 per coach  
After the first two coaches, remaining coaches would be \$40 each (\$10 discount).

3 coaches- \$140

4 coaches- \$180

5 coaches- \$220

6 coaches- \$260

7 coaches- \$300

8 coaches or more- \$340

Retired/Lifetime- \$90

Retired Hall of Fame member- \$0 for Lifetime membership

EXAMPLE: John F. Kennedy High School has a Boys Varsity and Junior Varsity Coach, as well as a Girls Varsity Coach and a Junior Varsity Coach. The two varsity coaches are \$50 each and the JV coaches are \$40 each for a total of \$180 for 4 coaches. It does not matter who you designate as your first two coaches. You could have in this situation the Boys Varsity and JV Coach as the first two coaches paying \$50 each and then the Girls Varsity and JV Coach would be \$40 each.

We are using Final Forms as our membership platform. This makes it not only easier for you to complete your membership but much easier for Athletic Directors to go in and "claim" their coaches and pay for their membership. Even if your school does not use Final Forms for its student-athlete registration, your Athletic Director is part of Final Forms through the MIAAA-AMP.

As coaches, please use the following link to create your profile and register with Final Forms. All coaches must do this please. <https://migca.finalforms-amp.com/>

This special program is available to school-sanctioned boys' and girls' coaches at the Varsity, Junior Varsity and Assistant levels and brings with it all the benefits that are part of membership in the MIGCA along with membership into the Michigan High School Coaches Association (MHSCA) and its benefits. This also includes membership into the National High School Coaches Association.

The MIGCA Executive Board of Directors are committed to providing support, continuing education, and resources to our member Michigan High School Golf Coaches. Through this Membership Incentive Program, it is our intent to bring more golf coaches of all levels to our organization. In doing so, it is our hope and desire to share the honor, camaraderie, and spirit of the game with more young people throughout Michigan.

Thank you

MIGCA Executive Board of Directors
