

PA-502 Delaware County CoC HUD FY23 Continuum of Care Grant Competition Renewal Project Reallocation Public Notice

September 6, 2023

Dear PA-502 Delaware County CoC HUD FY23 Continuum of Care Grant Competition
Renewal Project Applicants and CoC Members:

I am writing to inform you that the Delaware County Continuum of Care has completed the HUD FY23 Continuum of Care Local Grant Competition reallocation process.

Reallocation is a process CoCs use to shift funds in whole or in part from existing eligible renewal projects to create one or more new projects without decreasing the CoC's ARD. New projects created through reallocation must meet the requirements in section I.B.3.a, III.B.4.b.(3) and the project eligibility and project quality thresholds established in sections III.C.5.b. and c. of the HUD FY23 Continuum of Care Grant Competition NOFO. CoCs may only reallocate eligible renewal projects that HUD previously renewed during a CoC Program competition.

The PA-502 CoC FY23 reallocation process included the following steps:

1. The Collaborative Applicant and HMIS Lead Agency for the PA-502 HUD Continuum of Care Grant Program, the Delaware County Department of Human Services and its Consultant, Jason Alexander of Capacity for Change LLC, completed a review of the current Housing Inventory Chart, the most recent Point in Time Count, and the current CoC grant funded renewal project performance data in HMIS. This analysis determined that all PA-502 CoC renewal projects are relevant and necessary to ensure that homelessness is as rare, brief, and non-recurring for Delaware County residents as possible.
2. Nonconflicted PA-502 CoC Governing Board members were presented with the Collaborative Applicant's and Consultant's analysis. The nonconflicted PA-502 CoC Governing Board members then held a vote, resulting in the decision not to reallocate any renewal projects in the FY23 Continuum of Care Grant Competition.

This memorandum serves as public notice that no PA-502 CoC renewal projects will be reduced or eliminated through reallocation in the HUD FY23 Continuum of Care Local Grant Competition.

Sincerely,

Jason D. Alexander, MPP
