

Equality and Diversity Statement

STAT Northern is committed to making an environment where we all strongly believe in equality, diversity and inclusion. We are committed to equality for all and ensuring that everyone can participate. We are committed in ensuring that everyone is treated with mutual respect regardless of race, gender, sexual orientation, age, disability, beliefs, colour or nationality.

STAT Northern will promote this statement and we will review it annually in meetings to ensure that is being upheld.

STAT Northern is committed to making an environment where we all strongly believe and recognise the benefits of equality, diversity and inclusion. We are committed to inclusion for all and ensuring that everyone can participate. We are committed to equality and diversity ensuring that everyone is treated with mutual respect regardless of race, gender, sexual orientation, age, disability, beliefs, colour or nationality.
