

ORO 8

BY BCROASTERS.COM

The ORO 8 is a beautiful roaster for a coffee shop or a business selling wholesale and retail coffee. It is the center of attention in a Micro Roasting Shop! It can roast from 8oz. to 7-8lb. per roast and up to 4 roasts per hour. Some of the features include Double wall SS drum with front and back cast iron plates. It has 2 FUJI digital temperature controls on the panel for quick viewing of both BT & ET. It has the option of a variable drum speed control and precise airflow control via the MDDS (manual damper) system. Laser cut body with glossy powder coated finish in choice of black or red. Direct-Connect chaff unit for efficiency & reduced footprint. An LED Lamp provides illuminated viewing. Choice of Stainless steel finish and housing colors. Built in Computer profiling system via USB to computer. This is a Floor model with bot locking casters and level legs. Available in NG or LPG.
