

**NT Nathan Trotter**  
Trusted for Over 200 Years

- Bar Solder
- Wire Solder
- Leaded
- Lead Free

**KOKI**

- Lead/Leadfree Solder Paste
- Flux core Wire
- SMT Adhesive
- Liquid Flux
- Tacky Flux

**ZYMET**

- Adhesives
- Underfills
- Conductive Adhesives
- Thermal Adhesives

**STENTECH**

- Stencils
- Advanced Nanocoat
- Wave Fixtures
- Process Carriers

- SMT Reel Splicing Materials
- Splicing Tools
- ESD Equipment

**ScanCAD INTERNATIONAL**  
Simplifying Complex Technology

- PCB Reverse Engineering
- Stencil Inspection
- Automated Inspection & Measurement

**LPKF**  
Laser & Electronics

- Lasers for:
- Marking
  - Prototyping
  - Milling
  - Stencils
  - Welding

**Panasonic**

- SMT Printers
- Pick and Place
- Die Bonders

**TRI**  
innovation

- Solder Paste Inspection
- Automatic Optical Inspection
- Automatic X-Ray Inspection

**AAT**  
AUSTIN AMERICAN TECHNOLOGY

- Stencil Cleaners
- PCB Batch Cleaners
- PCB In-Line Cleaners

**HENTEC INDUSTRIES | RPS**

- Stand Alone Selective Soldering
- Medium & High-Volume Selective Soldering

**Optel**  
SOFTWARE

- Software For:
- Traceability
  - Work Instructions
  - Scheduling
  - Quality Management

- N2 Generators
- Wave Solder Machines
- Slide Lines
- Thru-Hole Handling

- Radial Thru-Hole Lead Prep
- Axial Thru-Hole Lead Prep
- DIP Lead Formers & Cutters

- Tape & Reel Services
- Flash Programing
- Lead Tinning
- Axial & Radial Taping

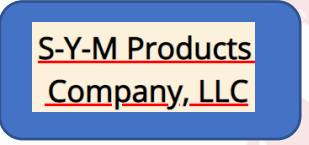

- SMT Taping
- Mass Lead Trimming
- Parts Counting
- Peel Force Testing

- FHD Video Inspection
- Measurement Software
- Image Comparison Software

- Static Control Products
- Ionizing Products

- Coiling Machine
- Tube/Hose Winding
- Taping

- Wire Processors
- Cable Strippers
- Wire Strippers
- Tube Cutters
- Heat Shrink Cutters

- Planetary Mixers
- Syringe Chargers
- Nano Premix & Pulverize

- Ultra Sonic Welding
- Heat Staking
- Ultra Sonic Wire Splicing

- Flying Probe
- In Circuit Test
- Test Program Services

- Wafer Dicing
- Wafer Mounter
- Wafer Cleaner
- Water Recycling
