*"Doing our part for the Wisconsin River"*

1 February 2024

To: Metro Communities and Haulers

Subject: Update on RMMSD Phase 2 construction project

RMMSD is at the end of the design process of the project and beginning the construction process. A bid ad was in the Wausau Daily Herald on 30 January and will be on 6 February to let contractors know we are accepting bids.

So far, the project is on schedule and we will finalize the amount we intend to borrow from the Clean Water Fund after the contract is signed.

Here is a list of important upcoming dates:

8 February 10:00 am – pre-bid meeting. This is a mandatory meeting for people that want to bid on the project. We will have an overview of the project and people can tour the site. The meeting will be held here at the Metro. All are welcome to attend in person.

13 February – Commissioner Board meeting here at the Metro, agenda will go out Wednesday before the meeting.

5 March – Bid opening will be done electronically online at 2:00 pm.

12 March – Commissioner Board meeting and Commissioners will discuss bids and possibly award the contract at this meeting.

Construction is planned to commence in May 2024 and continue for two years.

RMMSD is also working on improved meeting equipment so the attendees who Zoom in to Commissioner Board meetings can hear/see the Commissioners and the Commissioners can see/hear the people on Zoom.

Any questions, comments or concerns can be directed to Eric Donaldson at [eric.rmmsd@ribmountainmetro.com](mailto:eric.rmmsd@ribmountainmetro.com) or 715-359-7852

These updates will be emailed/mailed out to the communities and haulers every two or three months, perhaps more frequently at the beginning of the construction process.
