

# **Way Of The Cross** **Baptist Church**

Dear Pastor,

I want to ask you to prayerfully consider supporting Alan and Jamie Bradley as Missionaries to New York City. I have had the privilege of being their Pastor since April of 2016. Alan and Jamie love the Lord and it is their hearts desire to serve him in New York City as church planting missionaries. They are at an exciting and pivotal time of deputation. They are currently at sixty five percent of their needed support, and we need your help to get them to New York City as soon as possible where Gospel witnesses are almost nonexistent.

Alan has a strong desire to please the Lord with his life. He has a burden for souls unlike anyone I have had the privilege to pastor. He is witnessing and sharing the Gospel EVERYWHERE he goes, and he has led many to the Lord.

Alan is one of those rare blessings that the Lord has sent my way and I would like to ask that you take this family on for support. Alan loves the Lord, and he loves people. He is eager to have Godly men pour into his life to help him reach New York City with the Gospel.

Alan and Jamie are of the highest character and can be completely trusted with your support. They are both doctrinally sound, solid Independent Fundamental Baptist missionaries. I am confident that this couple will be openly accountable to all their supporting churches.

Thank you for prayerfully considering supporting the Bradley's for New York City. Please feel free to call me with any questions you may have.

Sincerely,

Pastor Steven Bell
