

The Bradleys to New York City

Dear Praying Partner,

God is so Good!! **We are thrilled to share with you all that we have moved into New York City.** This is why our letter is rather tardy this month, my apologies to all of you that faithfully read and pray. We have been blessed to be in a few churches and have had some good meetings. Between meetings and during the week we have been traveling between the upstate of NY and the City bringing our clothes and home things. God has blessed in that effort and we now have completed bringing everything from upstate to the City. We are so beyond thankful for Grace Bible Baptist Church in Bath NY. They opened their missions home to us and allowed us to stay there for as long as the Lord led. They are so good to us. They have become some life long friends and we will sure miss seeing them between meetings and traveling. **I ask you all to pray for them and that the Lord will provide them with fruit for their labor in the upstate of NY.** Between meetings last week we had the great privilege of helping Gospel Light Baptist Church in Queens with their winter camp. Imagine VBS but in the winter! It was such an amazing time and the Lord really spoke to many hearts through the preaching of his word, and to many of our bodies through the game times. Folks I'm not as young as I once was. **There were two teenagers that made professions of faith, Praise the Lord.** To God be the glory we were able to squeeze 18 of the kids into the bus and take them to another local Independent Baptist Church to use their gym for a night of games before preaching. We also had the privilege of running a bus route and picking up and dropping off many of these little ones for the week. **What a joy it is to serve the Lord.** This is near and dear to my heart as Bus Kid. If we dont knock the doors and bring them they may never hear the word of God, and Faith cometh by hearing and hearing by the word of God. Its critical, especially in a city where your just a number amongst so many. **Please pray for our upcoming meetings.** We have an extremely busy next month and a half. We have a conference this coming week in Mass. and then we head to Tennessee for a missions conference and a meeting the following Sunday. After that we head to Georgia to rummage through our possessions in storage and sell everything that we dont need or can't fit into our apartment in the city. **Please pray for this time.** We have downsized once before but its critical that for my family sake that we do maintain some of the things that will help the city feel like home. Stuff is just that, stuff, but it sure helps with comfort when in a strange place.

The Bradleys Happening's

So whats next for the Bradleys? Yes we have moved but deputation isn't done. **We need you to keep faithfully praying for churches to partner with us.** We are so close and just need a few more churches to help us finish up. **Pray for us as we travel and fill our calendar and seek the Lords will with the concluding of our pre-field ministry.** **If your a pastor and your church doesn't currently support us and our ministry would you prayerfully consider presenting us to your church for support.** If a monthly commitment is not an option would you consider giving a one time love offering to go toward our setup cost for Way of the Cross in Fresh Meadows NY? As we approach Easter 2024, its our desire to hold our first service just over a year from now. Much to be done. Much of which we cannot do until deputation is complete. **Please be in prayer for the future Church and the future Souls we want to win to the Lord.**
