

The Bradleys to New York City

Dear Praying Partner,

Merry Christmas!!! We in the Bradley household love the Christmas season. Which for us starts the last day of October and ends the Last day of January! We love Thanksgiving and New Years also but our absolute favorite time of the year is when even the lost world slows down and celebrates our savior. Sure most have no idea of what it is they are celebrating but it reminds of how in scripture we read "For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God." (Romans 14:11). It's like a small glimpse into heaven every year of what will soon happy when our Saviour returns. **Please pray for us this coming weekend as we travel to Georgia to be with family and our sending church for Christmas.** We Love You All!

The Bradleys Happening's

We have been blessed with our meetings as of late. We are excited to share that we have had 3 churches let us know that they have voted to partner wit us. We have also had 3 churches let us know that they have voted to increase the support they send us. We are beyond thrilled at how the Lord is closing out 2023. **Would you please keep fervently praying with us about a move date to NYC in the Month of May.** It is our desire to hit the ground running in the summer months when people are back out on the streets and enjoying the more favorable outdoor weather. We were able to spend the first week of December with the Dices in NYC, and we had a blast. It was a breath of fresh air to be with them in the place that God has called us to be. We were reminded of just how amazing God is that he would knit our hearts together with such amazing people. The Dices and the Rodriguez's are amazing people that Love the Lord, and we cannot wait to glean from them more. The Lord has already blessed us with some fantastic friends in the city, which makes moving there so much easier. The Dices, Rodriguez's, the Canavans, the Blooms, not to mention all the people of Gospel Light Baptist Church and Living Hope Baptist Church. **We ask you all to begin praying now about our housing in the City.** We know the perfect place will be available in Gods perfect timing. We are praying for a place in a safe neighborhood, with enough space to fit our family. We dont desire all of the creature comforts of luxury, just for wherever we end up at to have a place for a washer and dryer. As we look to close out 2023 and move into 2024, we are praying about our schedule and our support. Would you consider having us in to present our burden and the need for Churches in NYC at your church if we haven't visited before. **If your a pastor would consider praying about your church partnering with us to reach the Millions in NYC with the Gospel of Jesus Christ if your church doesn't already?** We are so close to being able to move and start working toward our church plant in Queens. **Please pray with us for wisdom on scheduling and traveling after the first of the year. Pray for our health,** we have been dealing with various sicknesses and illnesses for a couple of weeks now. **I ask you to pray specifically for my ear, back in the beginning of the year, I was scheduled to have surgery on my left eardrum to repair the hole left by an ear tube.** That surgery was canceled by my ent because of a scheduling conflict and we were never able to get that rescheduled, until recently. We now have tentative date to start that process in February of 2024. Please pray for wisdom surrounding this whole process and the scheduling around it also. We pray you have a very Merry Christmas. God Bless!
