

**Dear Praying Partner,**

Thank you so much for praying! You've been so faithful in praying for our schedule to fill and for our safety on the roads. At times it all seems so overwhelming. The logistics of traveling, trying to figure out where your family is going to lay their head at night, not to mention the actual driving and riding! I couldn't do it with out an amazing God! I write this now as a testimony to the fact that God is faithful and he will never let you down. Things don't always turn out the way that we thought they would, But most of the time God is doing something better than what we had envisioned. To God be all the Glory!!

*Please Pray for NYC!*

We had an opportunity to be with Gospel Light Baptist Church in Jamaica NY on the 6th. The Lord allowed our Associate Pastor Josh Hale and his sweet wife Mrs. Amanda to fly up for a long weekend to meet the Dice Family and to meet the Gospel Light Family. Pastor Josh is a contractor of all types including electrical, so he was able to help with some lighting there at Gospel Light. We were able to take my brother Thomas and his wife Hollis up with us since we drove. It was Thomas and Hollis first time outside of Ga. They had a good time exploring NYC with us. On one of our last nights there we all went over to the City (Manhattan) and saw the typical touristy sites to see. The Statue of Liberty, the Freedom Tower, Grand Central Station, and Times Square. As we were walking back to the train station to head back toward the van, we walked by this big Truck. It almost looked like a food truck. Friends it wasn't a food truck. It's a drug Truck. There were men standing on the sidewalk trying to push it on you. People smoking it all over the place. I took a picture of the truck to share with you all. Notice they put a picture of Jesus on the truck smoking this repulsive drug. No friends, Jesus isn't ok with this. It's a reminder to me that no matter how much we try and convince our selves that Gods ok with our sin, He isn't!!

*Please Pray for Our Meetings!*

God has blessed us with a pretty full calendar over the next two months, with lots of travel. Would you please pray for the meetings and for traveling mercies as we travel through TN, IL, GA, FL, VA, and TX. Pray for Sister Jamie as she teaches our children and pray for our children as they try and do school going down the road or in a hotel. We serve the God that is able to provide exceeding abundantly above all that we ask or think!! Pray for providential meetings with people as we travel. I've had the opportunity to witness to several people while in traveling like Dwayne in NYC. He claimed to know Christ as his personal savior. Praise God! I pray he does. Pray as we Proclaim Christ, and would you choose this day to be **Bold** for **Christ!** He's coming back soon!
