

# The Bradleys to New York City

## Dear Praying Partner,

Well, we are in full swing move mode and we're in a meeting 8 hours away. I'm writing tonight from a Hotel room in Staunton, VA where the Lord has been blessing in the Missions Conference at Victory Baptist Church. Our field director Brother Bob Larson is preaching the conference and God is using him mightily to speak to our hearts about faith promise giving, praying, and especially the value of one! I'm so thankful for the godly men that God has put in my life through BIMl, and this conference is reminding us of why. **Please pray for a young man that I had the opportunity to share the Gospel with recently. His name is Elijah and he is not saved.** He was wearing a large gold and diamond cross necklace and walking around Walmart. The Lord allowed me to use that necklace as a doorway to open a spiritual conversation. To him the cross was nothing more than a decoration. We parted ways with a prayer in the aisles of Walmart and we are praying for him to come to the saving knowledge of Jesus Christ. **Please also continue to pray for these types of open doors.** As we travel we get to talk to many people but it seems harder and harder to get people to engage in a spiritual conversation. **It is our hearts desire to make every conversation meaningful and the best way to do that is make the conversation about Jesus.**

We were recently in a conference at Bible Baptist Church in Kingsport TN, with the Villafranca family headed to Hoonah Alaska. What a tremendous blessing they were also. It's always fun to see how God will knit our hearts together with others. This precious family have such a sweet spirit and desire to reach the Tlingit people. They have a large need and I would like to share it with you all. They are in need of a boat for their ministry. It will be pivotal in ministering there to these remote villages in Alaska. The boat is rather expensive, but our God can supply their need. **I simply ask you to pray with me for the Villafranca family and they're need of this boat.**

## *The Bradley's Happenings*

Thank you so much for your prayers for us and our travels to these conferences and our meetings. Please pray for us as we end this conference. In a couple of days we drive back to GA, and finish packing our things into storage, and finalizing our move. **Our send off service is coming up soon also at our Sending Church and we desire your prayers for us during this time.** It is incredible how God will begin to put separation in your hearts for such a time as this, and although it is easier to say goodbye today than it would have been 2 years ago, it is still hard. **Would you continue praying with us, that God would provide the remainder of our needed support by this fall? Also pray with us that God would provide the perfect housing for us when we get to the City!**

## *New York Thoughts*

A controversial Brooklyn Bishop was indicted recently because he was caught falsifying documents to get approved for a home mortgage loan. This so-called pastor encouraged his people to bring him their seed money so that they could be blessed by God, all the while he really was just fund-raising to buy a mansion in Jersey. This is just one example of the false doctrine being propagated in NYC. The amount of false teaching in NYC is unfathomable to most. **Would you pray that this man would get saved and move away from this heretical doctrines. Unfortunately there are many more there like this than there are standing on the Word of God.**
