

Dear Praying Partner,

Lamentations 3:22-23 says *It is of the LORD'S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.* I just want you all to know how thankful I am for the Lords daily mercies and his grace. I am also so very thankful for each one of you that has taken me and my family to the Lord in prayer. Prayer warrior we know you are faithful, and we ask that you continue praying for us as we go. We are praising the Lord for the 9 new churches since our last letter that have let us know that they have been led of the Lord to partner with us to get the Gospel to NYC. We have had some fantastic meetings in Florida, North Carolina, Maryland, New York, Illinois, and Georgia. God has blessed us with some new friendships that we trust will be life long relationships. We are so thankful for each one of you that God directs us to be become acquainted with. It is by your prayers that we are now well on our way having our

needed support. Would you, as you read this commit to continuing to fervently pray that God would provide the remainder of our needed support by March of 2023. The need is growing greater day by day, and night is still coming when our time to work here on earth will be over. We are very much looking forward to the Holiday season this year, which is upon us. We will be traveling down to Ft. Walton Beach to be with Brother Steve and Sister Linda Glenning for Thanksgiving this year. Would you please continue to lift brother Steve up to the Lord. They are an incredible blessing to us and like so many of you that God has knitted our hearts with over this period of deputation. Please pray for our Sending Church during this time of Christmas. We are rejoicing in the Lord that we will have the opportunity to be at home during this season of the year. I very much look forward to our children being able to participate in our Churches Christmas Program this year. Would you Please pray for my Brother Thomas and his dear wife Holli. They just had their first baby "Lhyric Mae". Her and momma are healthy and doing great. We ask that you all please pray for our extended families, for many different reasons but most importantly for the Salvation of each one of them.
