Colossians 4:2-3 – Continue in prayer, and watch in the same with thanksgiving; Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ, for which I am also in bonds:

Deputation Month 8

Prayer Request's

Dear Praying Pastors, Church Friends, and Family

God is in Control!! I often find myself asking God why? Why did this unfold that way and why did that have to happen this way. I'm so very thankful for his word and how no matter what's going on in our lives he's good. Psalm 34:4 says, "I sought the LORD, and he heard me, and delivered me from all my fears". As many of you are dealing with covid19 so are we and so is our sending Church. The past couple of weeks have been rough because of it. We had several that have had covid from our church, (not sure of the final count). Our Pastor and associate Pastor both have had it, along with at least one of our Deacons. We had an amazing week of Camp where the Lord saved two people and so many more got help. From that meeting many ended up sick. I thank God that no one has been hospitalized with this latest go around. Because of our exposure we had two of our meetings canceled. It was really the best thing for everyone's safety.

So, because of the unique situation God has allowed me to be there for some folks in our church that mean the world to me. He allowed me to fill in for an online only service at our sending church.

You know it's always a blessing to see how God works things out. Again, like I started this letter often I'm too busy asking why to see the blessing that God is unfolding in our lives. Why did those appointments have to be lost, Lord? You know God we kind of live off those love offerings, so what now? Then you go to a church and the Lord allows you to present your ministry and to preach and folks get encouraged and God reveals to you that at no point in time should I have ever worried!! He is so very good to us all and we should constantly thank him for even allowing us to have a part in his ministry!

Would you please pray with us and for all our upcoming traveling? We will begin a month-long trip in a few days that will see us in Virginia, New Hampshire, Texas, Georgia, and South Carolina. Pray for our opportunities to share the Gospel along the way and pray for each of these meetings. Pray that God would encourage his people to make much of him and get busy sharing the Gospel.

Continue to pray with me if you will for our schedule. God is filling it in, and we are so encouraged. Also pray for Jamie and our children, they started Home Schooling a Couple of weeks ago, and let's just say it's nothing short of a challenge for everyone, and in a few days, there will be a whole other dynamic of it while we are on the road. Nothing new to missionaries and just the next challenge, I just ask you to pray!
