Print or Download Results

CERTIFICATE

Suitable for framing >

(/members/reports/print-certificate-pdf/QEPLZ-JVN3Y-YE8K3-RMX5D)

FULL REPORT

Detailed results report >

(/members/reports/print-report-pdf/QEPLZ-JVN3Y-YE8K3-RMX5D)

VETERINARY REPORT

Send to your veterinarian > (/members/results/veterinary-report)

OFA SUBMISSION REPORT

Send to the OFA > (/members/results/ofa-report)

You will first see an online preview; then click 'Download / Print' in the top-right to download a PDF file that you can either print out and mail to the OFA, or submit electronically via email to the OFA.

Important: Your submission will need to include payment to the OFA, and a completed OFA DNA application form (<https://wp.ofa.org/dnaform.pdf>). At the top of the application, please be sure to write which tests you want to register with the OFA.

RAW DATA

REFER A BREEDER

(/members/breeder-referrals) **THERE'S MORE TO COME!**

Our scientists are hard at work in the lab, and we are expanding our results all the time! As new features and results become available we will let you know.

Your participation will also help our scientists make new discoveries. If you have a particular health issue or other area you are interested in, please email us at research@embarkvet.com (<mailto:research@embarkvet.com>).
