Join us for the Inaugural Iron Pigs for Ronald McDonald House Ride

In support of

Ronald McDonald House Charities of Southern Colorado (RMHCSC)

Ronald McDonald House Charities of Southern Colorado keeps families and their critically ill children close to each other and provides the care and resources they need, when they need it most.

HOW IT ALL BEGAN

Over forty years ago, a young girl was diagnosed with cancer. She needed her family's support and care as much as they needed to be with her. An oncology doctor at the hospital had been dreaming of temporary housing, where families could stay to be near their child. Rallying together in support of this vision, an NFL team, McDonald's®, and an entire community made the dream of the first Ronald McDonald House® a reality in Philadelphia, PA. There are now 377 Ronald McDonald Houses worldwide.

Iron Pigs Motorcycle Club-SoCo Chapter is a 501(c)(7) of the Iron Pigs Motorcycle Club for law enforcement officers and firefighters. We have teamed up with Ronald McDonald Charities of Southern Colorado to do our part, helping families with critically ill children during times of medical crisis. Please consider supporting the ride with a sponsorship and/or donation so we can help these families remain close to each other, while RMHCSC provides the care and resources they need and deserve.

One family said, "With your help, the Ronald McDonald House became our "home-away-from-home" while our child received specialized care at a local hospital. We couldn't have done it alone. On behalf of our family, thank you for your support"
