### Disclaimers

\* These prices are estimates and vary between a chosen dealer & your job site. Our primary goal is to meet your pricing expectations.

\*\* Legal Compliance Notice: As per local regulations, the pool cannot be filled with water until the safety fencing is installed and inspected.

If option A-16 is not chosen, you must have plans for a fence prior to your installation date. \*\*

\* We will not leave your yard a disaster before leaving, BUT we cannot spend time planting seed/straw, landscaping, unless option A15 is chosen.
