

DRIVERGE
VEHICLE INNOVATIONS

The Southernmost Scavenger Hunt™ creates one-of-a-kind experience for MobilityWorks® and Driverge Vehicle Innovations for their upcoming visit to Key West.

Companies joined forces for charitable adventure for corporate retreat in February.

Key West, Florida / February 11th, 2020

Mobility Works® and Driverge, two of the countries leading providers of wheelchair accessible vehicles, partners with The Southernmost Scavenger Hunt™, a unique team building and sightseeing excursion, for a philanthropic benefit for the Wesley House Family Services. Wesley House Family Services is a nationally accredited not-for-profit organization based in Key West, Florida.

Almost 100 participants represented Mobility Works and Driverge, in brightly colored team shirts during their team building and social responsibility Scavenger Hunt around the city of Key West on Saturday, February 8th. Each team collected more than 2,000 school supplies, classroom materials, other important necessities for the children of Monroe County, Florida and more than \$700.00 in cash. All of the supplies were collected and placed in 45 different color backpacks and donated to the Wesley House during their lunch at the Conch Republic Seafood Company® in the Historic Key West Seaport.

“This is a great opportunity for any group to see Key West in a unique way, build company morale, foster team comradery within their own company and a fantastic opportunity to give back to our community; especially for such a fundamental program as the Wesley House.” said Casey Arnold, owner of the Southernmost Scavenger Hunt™. “We were approached by Maria Gonzalez at We’ve Got The Keys and together we formed a great idea of adding this benefit to our activity which will definitely allow us to provide more opportunities for the Wesley House and other local charities going forward.” he added.

We’ve Got The Keys is a destination event planning company based in Key West, Florida. Their services were enlisted by MobilityWorks® and Driverge who introduced them to The Southernmost Scavenger Hunt™ for this opportunity.
