Youth IFR Qualifying Rodeos
The only association offering Youth IFR qualifying rodeos
in Georgia, Florida, Alabama, or the Carolinas.

Yearly Call-In Application

Instructions:

1) Download this application.
2) Print the application.
3) Fill out the application completely (Please write legibly.)
4) Email either a scanned copy or a picture of the completed application to rodeo@westgajrrodeo.com. Entitle the email "YEARLY CALL-IN for *name of applicant*".

By completing this application:

1) The applicant will be "automatically" added to the rodeo roster for each remaining rodeo *except for Finals*, with the events indicated on the application. *You will still have to call in or email in for Finals.*
2) The applicant agrees to pay all rodeo fees either by PayPal or at the rodeo.
3) In order to "call out" or change events, the applicant agrees to either email or call in at least 1week before the rodeo. Changes include, but are not limited to, registering or removing events, changing IMRA/IFR events, or changing entries for Side Jackpots. (If you know of dates now that would require a "call out", you may enter those dates on the application, and no email or call will be required for calling out of that specific rodeo.)
4) For Team Ropers, if you choose a partner on this form, the partner must also enroll in "yearly call-in."
5) For IMRA/IFR events, the applicant's "regular" WGJR points run will also be the IMRA/IFR run, with one exception: 15-year-old IMRA members competing as WGJR Juniors require an additional run in the "Senior" division, so that the IMRA/IFR qualifying event is made on the correct stock.

What you can expect:

1) Once the application is entered into the system, you will receive a "Yearly Call-In Profile" email, which details the information on your application form. This email confirms your enrollment.
2) The day after the conclusion of a rodeo, the "email in" window opens. At that point, the events will be automatically entered, and you will receive a "Rodeo Events and Fees" email. You can use that email as a reminder to let us know of any changes that need to be made.
