

Our September rodeo will be our BARRELS AND BREAKAWAY challenge! This is how they work:

Barrels:

- Each WGJR Competitor who wishes to compete in the barrel challenge needs an adult partner!
- Adults may only partner with one contestant.
- Adults and youth may not share a horse as partners.
- WGJR contestants will run one time, in their division. The run will count for their WGJR division run, as well as their Team challenge run!
- Adult will run after the WGJR contestants have completed their runs.
- The Team with the lowest combined time is the winner. The person with the best time wins the buckle.
