

ONE WEEKEND / TWO RODEOS – HOW IT WILL WORK

The rodeos on August 1st (slack on July 31st) and August 2nd (slack on August 1st) will be treated as completely separate rodeos; however, some of the “pre-rodeo” procedures are a little bit different than normal:

CALL-IN

We will have **one** call-in period for both rodeos. During call-in, you may register for the Saturday rodeo (Aug 1st), the Sunday Rodeo (August 2nd), or both. You don’t have to participate in both rodeos if you don’t want to, nor do you have to run the same events in both.

- **Email call-in** is underway now.
- **Phone call-in** is on July 23rd, 6PM-9PM EDT.
- **Late call-in** for both rodeos begins at 9PM EDT on July 23rd and ends on July 25th at 10PM, with applicable late fee.
- **Clearly indicate dates** for each event when emailing or calling. (For slack, indicate “August 1st Slack” or “August 2nd Slack”. That’s important, since we will be running “performance” events for the August 1st rodeo and “slack” events for the August 2nd rodeo on the same day.)

CONFIRMATION EMAIL

You will receive only one events/fees confirmation email. The confirmation will clearly indicate the date(s) for the events and fees, and should enable you to verify events for both rodeos quickly and easily.

SLACK

- Normal slack events (barrels, poles, goats) for August 1st will be offered on July 31st.
- “Slack” for the August 2nd rodeo will occur Saturday night, upon the conclusion of the “performance” events for the August 1st rodeo. The slack events we will run on Saturday night for the Sunday rodeo are as follows:
 - Bull Riding
 - Saddle & Bareback Bronc Steer Riding (YTH/JR)
 - Saddle & Bareback Bronc Riding (SR)
 - Saddle & Bareback Bucking Pony Riding (YTH/JR)

RODEO CHECK-IN / REGISTRATION

When you arrive at the rodeo, you will have to check-in only once. Like your events/fees notice, your registration ticket/receipt will contain the applicable fees for both days.
