

The Bandini Foundation

Proudly Advancing a 130 Year Mission

This Tournament is dedicated to the mission of the Bandini Family, who have supported Veterans health and well-being for over 130 years; beginning with the donation of 525 acres to establish the first National Solider's Home of the Rocky Mountains in 1888 - and continuing today as stewards of the West Los Angeles Veterans Administration's Heroes Golf Course on that land.

The Heroes Golf Course is a vital center of physical fitness, recreation, and mind & body healing for veterans recovering from physical and mental illnesses such as PTSD.

Heroes also serves Veterans by operating the Mission Vets Job Program, the first program in the United States designed to train homeless veterans in golf course management & maintenance, and to help place them with our partner courses in Southern California.

Serving veterans is who we are, and what we do. Please help us serve those who served for us by supporting or playing at the

2nd Heroes Charity Tournament
at the renowned beautiful Saticoy Club,
host of the 2022 LPGA Mediheal Championship

The Saticoy Club is rated as one of the Top 100 courses in the USA, and host of the 2022 LPGA Mediheal Championship
