1. See general rules in the front of the Fairbook.
2. Pre-entry deadline is the last Sunday of July.
3. Entry fee is \$.75 per entry (4 entries for \$3.00), and must be paid at the time of entry.
4. Items entered in Open cannot be entered in Youth also.
5. All exhibits must be original and be created/made/grown by the exhibitor. Store-bought items are not eligible to enter.
6. Items can only be entered one year at Fair, with the exception of Collections. Collection entries MUST be improved upon in order to enter the following year. A collection must contain a minimum of 8 items.
7. Collections must be displayed in some manner. Do not just bring a collection of items in a box or bag and expect it to get judged. Preferred maximum size of display is 3' by 3'.
8. All items must be clean and complete. Civic Center management reserves the right to deny the entry of any exhibit that does not conform with these rules.
9. Baking entries must be displayed in a Zipper-style baggie. If item is too large, use plastic wrap around the plate.
10. King Arthur Baking is sponsoring a baking contest. In order to qualify for the King Arthur awards, you must provide a photo of you with a King Arthur product and your entered baked good. Items received and not accompanied with a photo will not be eligible for the extra King Arthur awards, but will still receive any premiums earned. NOTE: This is subject to King Arthur Baking's participation, and is not guaranteed.
11. Baking exhibits are a whole item, but may be mini loaves or small

cakes/pies.

12. Absolutely no baking mixes are to be used in the baking sections. Must be made from scratch.
13. All paintings, drawings, and photographs must be framed and have a wire on the back for hanging. If you do not have wire on the back, the Civic Center superintendent will have wire available for you to put on your frame. Please note: YOU are responsible for attaching wire to frames. Civic Center workers take no responsibility for this.
14. Agriculture items are to be displayed on paper plates. The items are to be clean and fresh.
15. Floriculture items must be grown by Exhibitor. If displayed in vases, please use something with a wide base (no less than 2") to avoid knocking over. Ball canning jars work great for this. The vase is not a part of the judging! Attach tags to the vase and NOT to the flower.
16. Weights in floriculture and horticulture departments shall not exceed 25 pounds, unless the item is suitable to be displayed on the floor. Attach entry tag to container, not plant.
