

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**  
**Monitoring Reporting Requirements Not Met for**  
**MOUNTAIN TOP PSD WV3301205**

Our water system violated drinking water monitoring requirements. Even though these were not emergencies, you, as our customers, have a right to know what happened and what we did to correct the situation.

*We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During periods listed in the table below, we did not monitor or test as required and therefore cannot be sure of the quality of our drinking water during that time.*

**What should I do?**

At this time, there is nothing you need to do

The table below lists the monitoring we did not conduct, other violations, and the associated compliance period.

Monitoring Violation	Year-Fed Report #	Monitoring Frequency	Compliance Period
41, CHLORINE, FAILURE MAINTAIN MICROBIAL TREATMENT, Failure to Maintain 4-log Treatment of Viruses Free Chlorine Level Below Required Minimum	1993 127693	Monthly	AUG 1993

**What happened? What is being done? (Describe corrective action)**

We have no employees on staff that was working at that time.

We have no record of this violation or public notice still on file.

For more information, please contact Forrest Harvey at 304-693-7467  
or PO Box 236, Mount Storm WV 26739.  
(Contact Name) (Phone Number)  
(Mailing Address)

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
