TAP FEE

The following charges are to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$100.00 will be charged to customers applying for service before construction is completed adjacent to the customer's premises in connection with a certificate proceeding before the Commission. This pre-construction tap fee will be invalid after the completion of construction adjacent to an applicant's premises that is associated with a certificate proceeding.

A tap fee of \$250.00 will be charged to all customers who apply for service outside of a certificate proceeding before the Commission for each new tap to the system.
