

# Bakewell, what a day we had!

While the sun kept his hat on, you completed your 3k walk, jog, wheel, run in style! We hope that you loved our event as much as we did organising it for you :)

We hope that this isn't the end of your fitness journey! If you enjoyed our Bakewell challenge, why not join us at our next challenge in Wirksworth this Saturday? The Derbyshire Dales Team and Arc Leisure Centre Team are also available, going forwards, in order to help keep your momentum going!

At the time of you signing up for our event we asked you about your fitness levels prior to hearing about our event. It would be great to hear how you feel about them now. If you could spare a minute to share this: <https://forms.gle/jBuzMtRYxcGW5qcT6> we would be very grateful :)

If you are looking for a copy of the route you ran this week, you can find it here: <https://www.mapmyrun.com/routes/view/4843521676>

Haven't had chance to see a photo of your run? Check out our Flickr page for all the photos we took on the day (We're no professionals, but we hope you like the snaps :)) <https://flic.kr/s/aHBqjzHvxs>

Wanting to sign up for some more events? We have the Get Active Locally link: <https://getactivelocally.co.uk/active-dales> or feeling like you want to push yourself further? Why not take a look at a new challenge for the kids, or for yourself: <https://curlysathletes.co.uk>

We hope to see you all very soon : )
