JUNE 2025

Good guys make things happen,
good guys get things done,
make the work look easy,
make the job seem fun,
try a little harder,
show the world their pride,
celebrate the good stuff,
take the rest in stride...
Good guys make a difference
in their quiet way,
seldom seem like heroes
till they save the day,
plan a little smarter,
wisely wait to see
what's the best direction
for their family...
Good guys do the right thing,
care and pray a lot,
never sweat the small stuff,
give life their best shot,
always go the distance,
see their loved ones through.
Good guys make great fathers...
good guys just like you!

There are days in life
that are so good,
it's as if God has just handed us
a little piece of heaven...
Hope your Father's Day
is just like that.
