

To Do To Go: Kids

Try a new To Do To Go activity each month!

Make a Rock Sculpture!

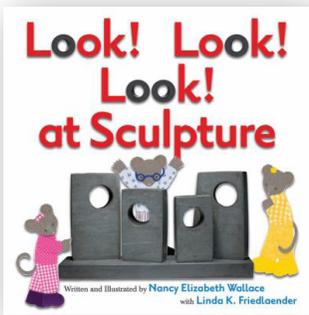

Let your imagination go wild with this unique activity.

1. Find a rock – explore the outdoors and find a rock that will fit in your hand.
2. Wrap one end of the pipe cleaners around your rock so that the other end stands up and away from the rock.
3. Wrap beads, buttons, feathers and whatever else you find to the pipe cleaners.
4. Get creative! Wrap other wire or string around the rock. Add other items that you find.

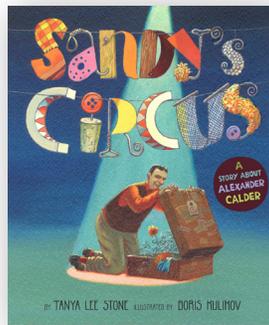

Your sculpture can change over time! Take apart the pieces and recreate a new design.

We've provided pipe cleaners and beads – you provide your imagination and extras!
