

Charlotte County Physician Hospital Organization (CCPHO) Process

Does the physician already hold some type of hospital privilege with Fawcett Memorial Hospital (FMH)? Yes or No

YES

NO

Contact the CCPHO to obtain an application and submit all required documents.

Submit an application with Fawcett Memorial Hospital (FMH)-Medical Staff Office. (Once the application is received the wait time is approximately 45-60 business days for approval, possibly longer depending on credentialing issues, etc.)

Once your application has been received by the CCPHO then the CCPHO Board has to approve the application. Please note even you submit your application early to us we can not approve it until after the FMH Board approval date. (30-45 business days for CCPHO Board approval) *

Once approved by the FMH Board you can now submit your application to the CCPHO.

After CCPHO Board approves the application the physician's information will then be sent to all of insurance contracts/carriers. (30-90 business days depending on the carrier) *Please note that all carriers will retro-act your effective date based on the date you provide to the CCPHO. This date cannot be before the FMH Board approval date.
