Doubles Trap League

This will be an individual league running for 4 weeks. Cash prizes will be awarded to top 3 guaranteed. We use a handicap system to make it much more competitive and fun for all levels of shooters.

Per week/PP Costs

\$8.00 League Fee
\$12.00 Member Targets
\$16.00 Non-Member Targets

Trap Shoot Nights:

February 13th, 2020
February 20th, 2020
February 27th, 2020
March 5th, 2020

How it works:

You shoot one round(50 targets) from the 16 yard line on first week to establish your handicap. On the following three weeks each round will be shot from your handicap yardage, this yardage will change each week based on your scores.

If you need to miss a week, we will allow you to bank or make up targets on Thursday nights after 5:00pm, before or after regular shooting. No makeups on other days will be allowed so we can keep it fair and everyone shoots under similar conditions.

The top 3 shooters for the total 4 week program will be paid cash prizes. Additional places paid for every 5 shooters over 10.

We encourage you to pre-register, give us a call or email and let us know you will be shooting.
