## How it works:

You shoot one round(25 targets) from the 16 yard line and one round(25 targets) from your handicap yardage for a total of two rounds(50 Targets) each week. Handicap yardage will be calculated based on your scores each week.

1<sup>st</sup> week is a bank week, these scores will be used if you miss a week. If you miss more than a week, we will allow you to bank or make up targets on Tuesday or Thursday nights after 6:00pm, before or after regular shooting. No makeups on other days will be allowed so we can keep it fair and everyone shoots under similar conditions.

The top 2 teams for the total 10 week program will be paid cash prizes. Additional places paid for every 5 teams over 10.

The Lewis-Individual League only-This will be total combined raw score(no handicap) of the 10 week program, 3 classes will be paid, Top Score, Middle 1/3 score, and Bottom 1/3 Score. Example: For 20 Shooters, the top score, the 7th shooters score and the 14th shooters score will be paid. All Ties Split.

We encourage you to pre-register, give us a call or email and let us know you will be shooting. We are offering a 10% discount for full 11 week payments in advance.
