6.3 Should the City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such licenses, charges, fees, rentals, easement or franchise taxes or charges.

The City shall promptly notify the Company of any claim or cause of action which may be asserted against the City relating to or covering any matter against which the Company has agreed, as set forth above, to indemnify, defend and save harmless the City. The Company reserves the right, but not the obligation, to employ such attorneys, expert witnesses and consultants as it deems necessary to defend against the claim or cause of action. The Company may be granted the right to take, in the event the Company and the City are Co-Defendants in a suit, total or partial lead responsibility for the defense of any claim or cause of action. It is understood that it is not the intention of either the City or the Company to create any liability, right, or claim for the benefit of third parties and this Franchise is intended and shall be construed for the sole benefit of the City and the Company.

Section 9. Forfeiture and Termination of Franchise.

9.3 In order for the City to declare a forfeiture pursuant to Sections 9.1.1, 9.1.2 or 9.1.3, the City shall make a written demand that the Company comply with any such provision, rule, order, or determination under or pursuant to this Franchise. If such violation by the Company continues for a period of thirty (30) days following such written demand without written proof that the corrective action has been taken or is being actively and expeditiously pursued, the Council may take under consideration the issue of termination of the Franchise. The City shall cause to be served upon Company, at least twenty (20) days prior to the date of such Council meeting, a written notice of intent to request such termination and the time and place of the meeting. Notice shall be given of the meeting and issue which the Council is to consider.

9.4 The Council shall hear and consider the issue, hear any person interested therein, and shall determine, in its discretion, whether or not any violation by the Company has occurred.

9.4.1 If the Council shall determine that the violation by the Company was the fault of Company and within its control, the Council may declare the Franchise of the Company forfeited and terminated, or the Council may grant to Company a period of time for compliance.

9.5 The Company shall not be in default under this Franchise in the event that the collection, processing, transportation and/or disposal services of the Company are temporarily interrupted or discontinued for reasons outside the reasonable control of the Company, including but not limited to: riots, wars, sabotage, civil disturbances, acts of terrorism, insurrection, explosion, natural disasters such as floods, earthquakes, landslides and fires, strikes, lockouts and other labor disturbances, excessive snow, acts of God, or other similar or dissimilar events which are beyond the reasonable control of the Company.
