ABOUT
OUR COMPANY

We Tirupati Logistics Pvt. Ltd., Logistics, warehousing and C&F service provider for last 60 years. We have made a reputation as a service oriented, reliable and most preferred vendor for our customers. Because of our dedication towards our customers we have a 100% customer retention rate. Our Group companies engaged in supply chain domain are CTA Logistics Ltd. handling our Rail/Water movement division and Tirupati & Associates Pvt. Ltd. handling C&F division.

Moving into 21st century we are a new age logistics company having network in the most emerging business centers of India. With big corporate houses divulging aggressively into e-commerce and just in time deliveries, our team has prepped it-self for handling these modern channels of logistics. We have adopted agility and lean methodologies to make faster operational decisions and executing the same thereof. We are now more ready than ever to adopt the newest models of logistics to offer most advanced and single window solutions to our customers. We are also providing 3PL services catering to ever changing and evolving needs of our customers.

OUR MISSION

Contribute to global economic development, optimize corporate value by earning the trust of our customers through sophisticated, quality logistics services while fulfilling our social responsibilities.
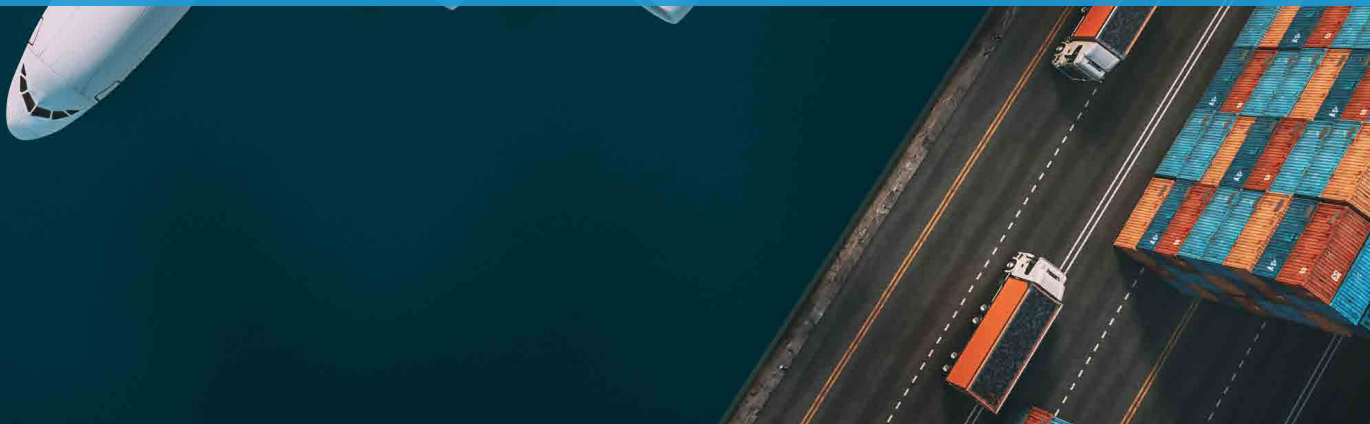

OUR VISION

Be the best logistics partner for our valued customers providing them with best-in-class service and quality.

VALUES

Towards Customers: Everything we do is focused on the needs of our customers, wherever they are located and whatever their requirements might be.
We relentlessly pursue quality and aim for constant improvement in our service.

Towards the Team: We seek to motivate our employees, recognizing that they are the ones who deliver our services.

Towards the Environmental: We strive to preserve the environment while fulfilling our corporate social responsibility.

What differentiates us from our peers?

> *Our Principals. Commitment towards the job. Responsibility towards the Customers. Safety of goods. Treating vendors and customers as business partners.*
> *We work with these principals as our pillars*

Administrative strength empowering operations

Our hardworking back end team is the backbone of our operations giving way to smooth execution

Operations: Aligned with GST Registration, Billing needs and E-Waybill generation for Intra/ Inter State movement of goods.
