**CARING ♥ COMPASSIONATE**

# Who We Are

- \* Staffco Homecare was established in 2008 with a commitment to delivering compassionate, cost-effective non-skilled care—care we would entrust to our own families. Our customized solutions are designed to alleviate both the emotional and financial burdens that often accompany caring for a loved one.
- \* Staffco Homecare currently partners with the State of Tennessee and Corvel to implement a range of tailored care programs.
- \* We are a comprehensive staffing firm, providing the appropriate caregiver for any non-skilled requirement, from hourly visits to continuous, around-the-clock care.

# What We Do

## **Specialized Home Care**

Staffco delivers personalized non-skilled home care for injured workers, supporting recovery in the comfort of their own homes.

## **Provider Partnerships**

We collaborate with insurance providers to offer compassionate, cost-effective care solutions.

## **Community and Regional Expertise**

Drawing on nationwide experience, Staffco ensures care is attuned to the emotional and practical needs of claimants.

## **Mission of Compassionate Care**

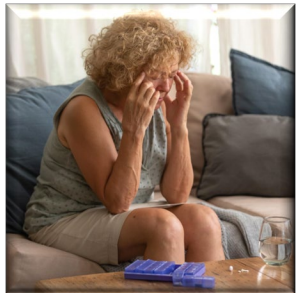

Our mission is to minimize costs while maximizing family involvement, ensuring care remains personal and familiar.

# The Challenge in Workers' Comp Home Care

## **High Caregiver Costs**

Expenses for skilled caregivers place significant strain on insurance budgets and elevate overall costs in workers' compensation home care.

## **Family Caregiver Stress**

Families providing unpaid care experience emotional stress, burnout, and increased financial pressure.

## **Delays and Inefficiencies**

The process of hiring external professionals can cause delays, impeding recovery and creating inefficiencies.

# The Family Care Program, Your Long-Term Solution

## **Innovative Home Care Approach**

Staffco empowers families to participate in non-skilled home care, enhancing emotional support and care quality.

## **Cost Reduction Benefits**

The program helps reduce costs related to workers' compensation by effectively integrating family caregivers.

## **Benefits to Stakeholders**

This approach delivers financial benefits for families, and insurance providers through enhanced care and financial relief.

# Introducing Our Family Care Program

## **Family Member as Employee**

The program employs family members to provide non-skilled care under professional supervision.

## **Scope of Care Provided**

Services include companionship and light housekeeping; skilled care is voluntary and outside employment duties.

## **Seamless Integration Model**

The program merges emotional family support with structured professional care for optimal outcomes.

# How the Program Works - Phase 1

## **Referral and Assessment**

The process begins with a referral and comprehensive assessment to determine daily living assistance needs.

## **Hiring Qualified Family Member**

Staffco recommends hiring a qualified family member to meet identified non-skilled care requirements.

## **Background Checks and Training**

Background screening and training ensure the family caregiver meets compliance and care standards.

# How the Program Works - Phase 2

## **Non-skilled Task Execution**

Family members perform non-skilled tasks such as companionship and light housekeeping as Staffco employees.

## **Oversight and Monitoring**

Staffco coordinators conduct regular check-ins to ensure quality of care and compliance.

## **Billing and Cost-Effectiveness**

Billing is managed directly with insurance providers at reduced rates, ensuring transparency and affordability.

# Benefits for Families

## Financial Compensation

Family caregivers receive payment, reducing financial stress and recognizing their contributions.

## Emotional Satisfaction

Caregivers gain satisfaction by actively participating in their loved one's recovery process.

## Flexible Scheduling

The program accommodates caregivers' existing employment, allowing them to provide care after hours and supplement family income.

## Professional Support

Staffco provides caregivers with professional assistance, ensuring peace of mind and shared responsibilities.

# Benefits for Insurance Companies/Adjustors

## Cost Savings

Staffco's program reduces costs up to 50% compared to traditional skilled care services.

## Accelerated Recovery

Family-provided care leads to faster recovery and shorter claim durations.

## Fraud and Legal Risk Mitigation

Family involvement reduces the risk of fraud and litigation by ensuring genuine care needs are met.

## Streamlined Claims Process

Having a family member on the care team facilitates clear communication between all parties responsible for care.

# Case Study / Success Story

## Permanently Disabled Claim

A claimant permanently disabled by a workplace accident required 24/7 skilled nursing care, including medication administration, a CPAP, and basic wound care.

Traditional Care Costs: \$60/Hour-\$1,440/Day-**\$526,000/Year**

## Cost Reduction Achieved

By employing the spouse to provide these services as a spouse we were able to bypass the need for skilled nursing care. Costs were reduced approximately 42%.

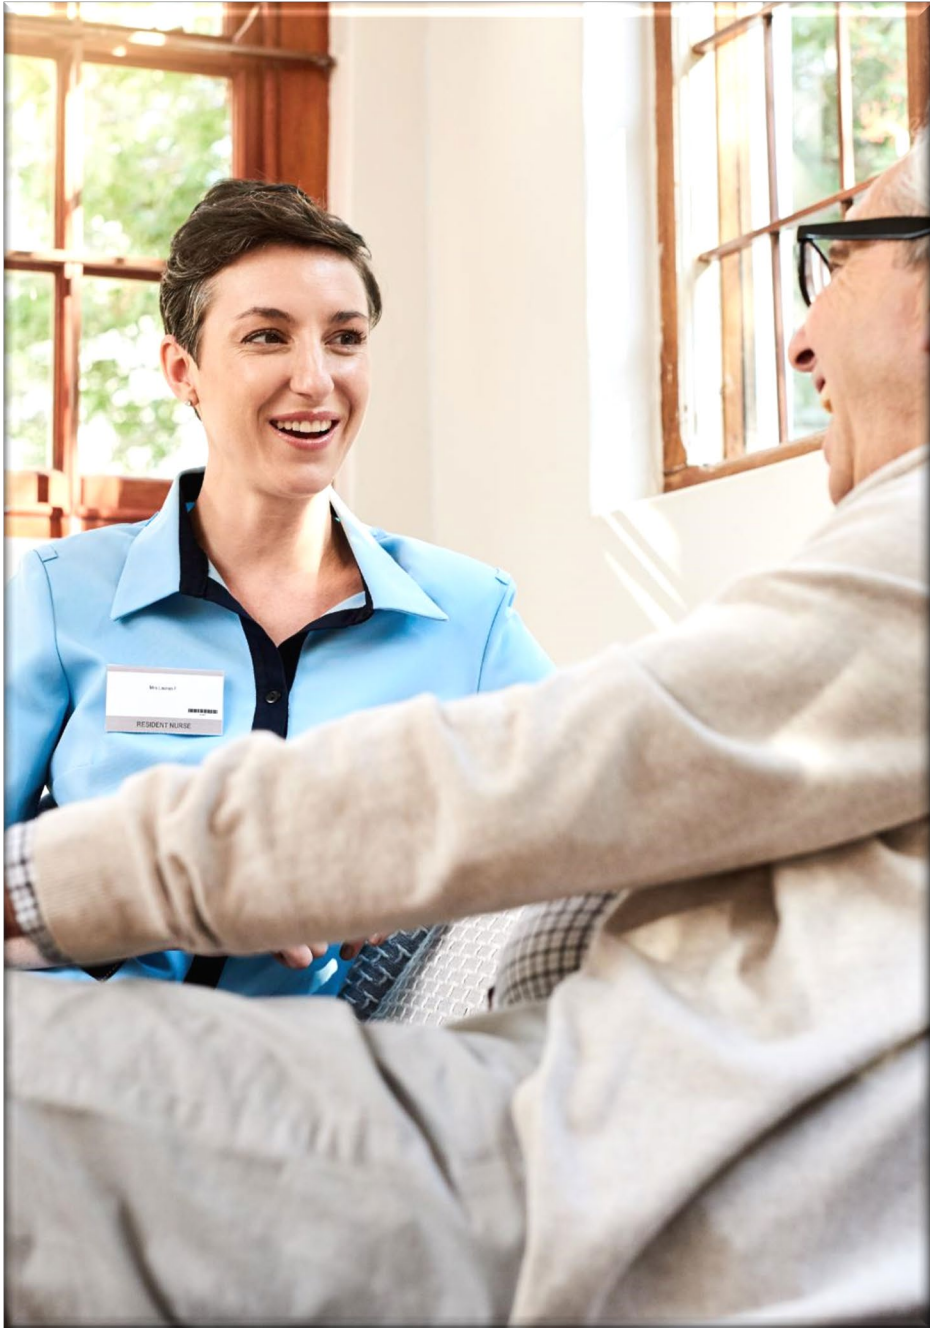

Revised Care Costs: \$35/Hour-\$840/Day-**\$306,600/Year**

## Long Term Savings

Annual Savings **\$220,000/Year**

Cost Savings with a 25 Year Life Expectancy not including inflation **\$5,485,000**
