

Young Aerospace Visionaries Contest

Submission Instructions

How to Submit

All entries for the Young Aerospace Visionaries Contest **must be completed using the official online form available on the AIAA Northern Ohio website.**

A parent, guardian, or teacher may complete the submission on behalf of the student.

Submission Deadline

All submissions must be received by the submission deadline shown on the YAVC webpage. Late submissions will not be accepted.

What to Submit

Each entry must include **both** of the following:

1. Visual Representation

A drawing or original digital image representing the student's aerospace idea

File type: **Image (JPG or PNG)**

Maximum files: **1**

2. Written Explanation

A short, written explanation describing:

How the idea works

Why it could be part of the future of aerospace

File type: **PDF**

Maximum files: **1**

All submissions must be **original student work**.

Important Note About File Uploads

File uploads require the submitter to be signed into a **Google account**.

A parent, guardian, or teacher may log in and submit files on behalf of the student.
