## President's Message

Jerry Shiller, President

[President@lemongrovegunclub.com](mailto:President@lemongrovegunclub.com)

More of the Club's steel targets have been damaged recently by fire from the wrong ammo and/or wrong type of firearm. If you are the person or persons who rewired the upper trap house around Wednesday September 12, you need to stop making unauthorized modifications to Club equipment. Unless you have been specifically authorized by the Board of Directors and Wayne Langevin or Bill Sergent to work on the trap houses, you are violating Club policy, and run the risk of damaging Club equipment. The changes made interrupted the proper operation of the trap machine and created extra work for those who are authorized. Fortunately, no serious damage resulted.

If you are aware of who was involved in these unauthorized modifications, or have pertinent information regarding this incident, please contact me. Your contact will be strictly confidential. You may use either of the following email addresses to contact me.

[idoгеology@cox.net](mailto:idoгеology@cox.net) or [lgrgc\\_prez@cox.net](mailto:lgrgc_prez@cox.net)

My cell phone # is 760 473-6802.

If this type of violation continues, whether done out of ignorance or spite, the situation will be reviewed by the Board. If there is no resolution, the Board may consider one of several actions which might include requiring an RSO whenever the trap fields are in use, or limits on when the trap machines may be used by the general membership.

Jerry Shiller, President

## Summary of September 18 Board of Directors' Meeting

The Board of Directors welcomed three new members into the Club. Treasurer Brian Carty reported our bank balance – the Club remains fiscally healthy. RSO self-signup is being implemented to replace the current system of notifying the RSO Coordinator. If you are an RSO or Shoot master and have not received a log-in code from Webmaster Don Van Meter, contact either Don or President Jerry Shiller. The Board approved consolidation of the Activity and 24-Month Calendars into one calendar to reduce confusion and inconsistencies in notification of Club events. The Board also created a sub-committee, chaired by Cheryl Robertson, to evaluate the Club website. The Maritime Training School made a presentation to the Board by regarding possible use of our range for their periodic security training classes. The Club had a successful time at the East County Friends of NRA Dinner – we won a CO<sub>2</sub> powered replica 1911, an AR lower, a Kimber .45, and the best one – a Henry Lever Action .410 Shotgun. Look for those to be offered to the membership in the future.

## Newsletter Calendar

Removing the calendar from the bulletin is being considered in an attempt to consolidate all the existing versions into a single calendar.

One of the advantages is that the web calendar gets updated as events change during the month which is not possible with the printed calendar. A second advantage is that there will be only one place you have to look.

The reason for this note is to measure the impact to members of removing the calendar from the bulletin so comments are welcome – [jwvaughn@ucsd.edu](mailto:jwvaughn@ucsd.edu)

## RSO Scheduling

RSO self-scheduling is now in operation. If you are an RSO and have not received info on using the site and a password, contact Jerry Shiller at [LGRGC\\_pREZ@cox.net](mailto:LGRGC_pREZ@cox.net)

## WOMEN ON TARGET

The October 14th WOT Clinic is full and in need of the usual volunteers. Please respond directly to me if you are able to help. You can reach me at [cisco2010@cox.net](mailto:cisco2010@cox.net), 619-368-2283 or 619-443-3704. Thank you to those who have already volunteered. If you are an instructor, please remember to include your NRA number with your response. It is this number that will give you instructor training credit when Sue inputs it into the clinic summary she sends to the NRA after the clinic.

**UPDATES:** Volunteers will no longer need to sign in. Upon arrival, please report to your venue to assist with clean up and set up as needed. The area in and around the sign in shack will be reserved for the women from 7:00am to 9:00am who will sign in and attend a one-hour mandatory pre-clinic safety training class. This training will start at 8:00am sharp. They will need quiet to hear the training so please stay away. The shooting will start at 9:30am.

Instructors will need to let me know ahead of the clinic of your intent to attend. I will formulate a list of all instructor names and Sue will come to each venue during the women's safety training and have you sign to confirm your attendance. This is for your training credit. If you attend the clinic and have not let me know prior, please be sure to let Sue know so she can include you on the list. If you don't, she will not know of your attendance and you will not get the credit.

We will be more than happy to answer all your questions, just ask.

Thank you,  
Eric and Sue Johnson

I am into the process of replacing all the fluorescent lighting in the sign in shed with LED's we have one section done and we are going to get that done. I am going to start replacing the drywall seams and replacing the fluorescent lights in the tool shed and outside the tool shed. That's it for the work party. Our next work party is this Thursday. Rod and Ray really need help setting up the Archery. Last month the only people we had to help was Cheryl and her prospective. That's probably why her prospective is not here tonight. The 18<sup>th</sup> of August we had a Hybrid Pistol Match. 24 shooters \$135 to the club.

**Sporting Rifle:**

Jerry S. reported they had no shooters last month

**Boy Scout Merit badge**

Jerry Shiller reported: The last shoot was recorded last month, and the next shoot is October 7<sup>th</sup>. There will be a shotgun merit badge. We're going to try to fill up all the thirty slots, so we'll need lots of coaches.

**Action Rifle:**

No report

**Friday Night Defensive Handgun:**

Stan Luhr reported: We had two shoots in August a total of 18 shooters. The good news about that was we had five brand new shooters that had never shot before. So if you have people that want to come out and learn defensive handgun techniques in a clinic our next one is September 14th.

**Sporting clays Interclub:**

Kevin King reported. It was at Escondido. We did not even come close to winning that event. The next Interclub shoot is going to be October 20th at Lakeside Sportsman's club. If you've never been there you need to go there. It is quite an experience. You are down by the Mexican Border in Boulevard and you will shoot targets over the fence into Mexico.

**Sporting Clays:**

Rod Tetrault reported: Frank was out of town, so Mark Melhorne took over him. His wife did the signups for him. She's a nice person too. We had 25 squads, everybody had a good time.

**Fun Shoot:**

Frank Valdez reported: Our next Fun Shoot is this Coming Sunday

8:00 our Sporting Clays match between us and Maywood we had three clubs present at this time. Lemon Grove, Maywood and South Bay. We had 67 shooters, 7 juniors, and 3 ladies, again Maywood won. Top gun was Maywood with a score of 90/100. Top Gun Lemon Grove was Stan Peterson with a 79. Our Lady top shooter was Cheryl Robertson. Our next match with Maywood is October the 7<sup>th</sup>. 100 targets.

**Friday Night Pot Shoot:**

Larry Sanders reported. For the month of August, we had 5 shoot events with a total of 126 shooters. We did have a Saturday night Pot Shoots with 18 shooters. Thanks to Rod Tetrault, Layne Kuhlman, Ray Gabaldon, Dave Shannon, Jim Hernandez, Herb Snyder, Ron Deloux, Norma, Wendell Trent, and Stu and Shirley. And Wayne and Bill Sergeant for keeping those machines alive.

**Rim Fire:**

**Low Light:**

**Black Powder:**

**Archery:**

**Youth Trap:**

Cheryl Robertson reported: In August we had 20 shooters. We had two events. The last time we shot two weeks ago we had 5 first time shooters, so we had an entire squad of first-time shooters. I was short a coach, so thank goodness two of my youth trap kids who have aged out who are good shooters showed up hoping to jump onto a squad and they couldn't do that, so we put them to coaching. They did a great job mentoring. Four of these new shooters are from a Boy Scout Troop in La Mesa. And one of the new shooters is a grandson of one of our members. They all had a really great time. Our high scores for our shooters, Aiden Barden was the best singles game for the month shooting 24 out of 25 and for doubles Jared Dustkill shot 43 out of 50, So there are some competitive scores from these kids. We are going to be expecting a lot more brand-new shooters. This boy scout troop wants to bring four new kids every first Saturday that we are meeting. That they can get parents to bring them. And then as often as possible the explorers from Border Patrol want to bring me four new kids the second Saturday. So, I need help. How many here have attended the Shot Gun Instructor class? How many people here have worked a shot gun event in the last 12 months? If you have attended the class, this is a great way to get practice mentoring. My new kids have never fired a shotgun. We must start from absolute ground zero. With the NRA safety rules about how to hold the thing and how to get a sight picture, and dominant eye and it's a lot of stuff. And we still must have the other squad going while somebody works with all the new guys. So, I have a signup sheet with my dates from now until the end of the year on it. If you could find it in your heart to come out one Saturday to help us with these new kids I would appreciate it. I will hang out after the meeting.

**2nd Amendment Shoot:**

Stan Luhr reported: September 15<sup>th</sup> is the 2<sup>nd</sup> Amendment shoot sponsored by Randy Voepel. It's a good event to have people come out to our range and have some good connections with our political folks. Last year we had a 142 people attend and we only had 18 volunteers. We need more volunteers. to monitor people coming from the parking lot to make sure they are not carrying their guns around before they check in. So, they'll be herded into the sign in area. This year we are going to have the sign in area up higher in the parking lot so that we don't have people walking down onto the ranges before they sign in. We are going to initiate a two-hand band system so one colored hand band will designate for all of our RSO's that these are beginner shooters. And that will allow us to funnel these people right in to a beginner lane. Where we can have some mentor coaches right there one on one. For those that volunteer my wife has offered to come in and bring lunch in. So, if you show up around 11:30 we'll get set up. We will also have some sponsors that will have some booths up there. San

Diego county gun owners will be out there with a booth also CPRA and Poway weapons and gear and Discount Gun Mart. September 15<sup>th</sup>, Saturday the event starts at 1:00. And goes right up to 5:00. For those of you going to the Friends of the NRA dinner that night you can just leave a little bit early to attend that event as well. I'm really looking for a minimum of 25 people to volunteer this year.

#### **Ginger Bass Memorial Shoot:**

Kevin King reported. He is the shoot master. For those of you who don't know who Ginger Bass is, she was a dedicated member to this club she was (Kevin's) sponsor and she was a sponsor of several other current shooters that belong to our club. She was brutally murdered by her husband. She was taken from us tragically. We did not know how to memorialize Ginger, we tried planting trees around the club, but this shoot has been going on for nine years now. It's a lot of fun. You shoot 16-yard targets and handicap targets. From your 16-yard score and buddy shoots. Please show up to this. It is a benefit shoot. All the proceeds go to a kitty and that will get donated to a battered women's shelter in East County San Diego. Please come to the shoot and help us support this event. The date is October 13<sup>th</sup>. Saturday. Signups start at 8am.

#### **Unfinished Business**

If you were a 10 % award winner, please see me before you leave. I have a list if you are not sure whether you have earned the reward. If you broke your mug, I'll sell you a new one.

Jerry Shiller.: we also have a drawing for this Kimber rifle at \$20.00 a ticket open to members. We will not do the drawing until all the tickets are sold. We've sold maybe half of the tickets. 150 tickets total.

Then is there any other unfinished business from the Board?

Jerry H.: This Thursday I'll be running a little late. Also, at the last work party Bryan Keever showed up, he was the member who lost his house in the Alpine fire in July. He wanted to thank the Board and the members of the club for giving him that donation it really helped him out. He was very appreciative.

Unfinished business from the floor?

Cheryl Robertson: Is there an update on the Calendars?

Jerry S.: said we have people working on it and they should have an update at the next Board Meeting.

#### **New Business:**

If you have attended an event in the last two weeks you may have noticed, we have some brand-new shade canopies. The NRA members council of San Diego was kind enough to give the club a grant in the exact amount needed for 10 brand new shade structures so if you see any members of the members council please thank them. Phyllis wrote the request.

Is there any new business from the Board?

Any new business from the floor?

Ronnie: Friends of NRA dinner at 5pm September 15th. California Gaming laws have changed the way we order

tickets now. So, if you buy the dinner tickets online but if you're going to order a raffle package you must fax us in your credit card information, so we can do that. Early Bird deadline is August 24<sup>th</sup>. Dinner only is \$60.00. You can get a copy of this online at Friends of NRA website. You will also get an email blast. I have only 15 tickets left for the beautiful Kimber I have back here. One in fifty chance of winning that firearm. We do have an endowment for this dinner and as years go by we'll not have to do as much fundraising.

A couple of reminders, if you are interested in supporting the candidate for the NRA Board of Directors, sign Tom's petition tonight.

Prospective members, you and your sponsor should come and see me after the meeting is over to pick up your card.

If you are interested in going to the East County Friends of the NRA dinner, at no cost to you, the club purchased a table with 8 seats. So far, I have four names for those 8 seats. If I end up with more than 8 names total, I'll do a little raffle or rock paper scissors to get the list down to eight.

Also, one other very important thing, a week from today, 10 am at the Del Mar Fairgrounds the Fair Board is meeting to discuss the future of the gun show. They will take public comments starting at 10 am in the dining hall that's on the second floor of the sportsman's club over there. They have asked people to limit their comments to one minute. We vastly outnumbered the naysayers at the meeting in May. I'm sure there will be more of the no gun show folks there this time because they were so embarrassed that their numbers were so few. They have said that they'll be there until at least 3 in the afternoon so they are expecting a lot of people. I stayed for most of it last time, it was four hours when I left. If you want to speak early, get in line at 9 O'clock.

For the prospectives: When you come to pick up your white card make sure your name is on this roster, which is our record that you were here.

Meeting is adjourned motion by Lorrie Smith, seconded by Jerry Vaughn to adjourn.

All the chairs go along the wall not in the closet! Meeting is adjourned at 7:40 pm.
