President's Message

Jerry Shiller, President

President@lemongrovegunclub.com

Annual Club elections are just over a month away (April 2). Board positions open for election (or re-election) this year include President, Secretary, three Director-At-Large positions, and Sergeant-At-Arms. Sarah Jones has indicated that, if reelected, she is willing to continue as Club Secretary, as has Director Wendell Trent. Directors Brion Thomas and Dexter Haight are planning to step down from the Board. I have said in recent months that I thought six years was long enough for one person to be President. In addition, Jerry Vaughn, the Club Parliamentarian (an appointed position) says he is ready to retire. If you are interested in running for any of these important positions on the Club Board of Directors, please contact Lorrie Smith, Club Vice President, so that she may have your name on the ballot on April 2.

I am happy to report that Debbie Elliott, member since 2012, has expressed interest in becoming Webmaster.

Dave Shannon has been tabulating RSO hours for the past couple years. He would like to hand off that job now to someone else.

We are also in need of someone to run the NRA Family Shooting Sports Camp in the fall. Robert Freed will do the permit paperwork, but we need someone to coordinate the event.

Stay Safe, and invite someone you know to come try our sport. Jerry Shiller, President

RSO Benefits

Beginning May 1st. RSOs who serve at least 200 hours over the course of the fiscal year will have their membership renewal fees waived.

Scheduled RSO can shoot by themselves if no other shooters are on the range.

Volunteers Needed

Volunteers are needed to plan and construct a new sporting clays station that will honor the memory of Jim Kasten's contributions to the event. Contact the club President to volunteer and for details.

Summary

February 2019

Board of Directors Meeting

The Board approved three new members into the Club. Lorrie Smith and Sarah Jones volunteered to chair the Installation of new officers on May 4, 2109. Paul Coffey had already volunteered to prepare the food .

The Board approved David Chong's, owner of A.O. Sword, request to use the range for CCW qualification classes. David, and Dave Reed are two of only 30 instructors certified by SD County.

Kathleen Banjac has volunteered to be the Coordinator for the new woman's basic skill development events to be offered approximately once a quarter. Dates currently approved in 2019 are May 18 (rifle), July 30 (shotgun), and November 3 (handgun).

The Board approved moving forward with having more permanent restrooms at the Club, and allocated funds to start designing them.

Alan Cole's wife has volunteered to put on CPR/First Aid training for Club members. Please see the flyer elsewhere in the newsletter for details.

Help Needed

There are several upcoming events that need volunteers:

1. Board positions
2. Installation – RSOs, raffle, setup and tear down
3. NRA Family Fun Shoot – Shootmaster, Robert Freed has volunteered to do the paperwork.
4. Range Maintenance – several big projects need volunteers

Contact a board member for info.

Eligibility to Vote

Normally attendance at three general meetings is required to be eligible to vote for the board. Because two general meetings were canceled because they fell on holidays, the board has decided that attendance at two general meetings will suffice for this year.

NMA

We are coming up on that time of the year when you need to get your NMA done. Below is a summary of the requirements. **For the work party, only the range chair can sign off.** Do to some questionable activity in the past, the club will be verifying work part signatures this year. Invalid signatures could place your membership in jeopardy if you don't have time to complete the requirement.

In addition to any dues or fees as listed in the Policy Manual, every regular and senior member, as a non-monetary assessment, will be required to fulfill a participation requirement. To meet this participation requirement, the member must serve in a working capacity at the Club for a minimum of eight (8) hours at an official activity of the Club. Methods of meeting this requirement include:

Every regular and senior member will participate in a four (4) hour work party. Range Chair signature will denote completion of this requirement

Plus,

Every regular and senior member will be required to provide four (4) hours of volunteer service to the Club.

Methods of completing this requirement include:

1. Participation in an additional four (4) hour work Party. Range Chair signature will denote completion of the requirement.
2. Working any four (4) hour event sponsored by the Club. Board of Director or Shoot Master signature will denote completion of this requirement.
3. Working as a Shoot Master at a scheduled event hosted by the Club.
4. RSO's completing 28 hours of service. RSO Coordinator signature will denote completion.

Situation at the Range?

Contact a board member if there are any situations that effect range operations. For example, a recent homicide investigation resulted in Sycuan Truck Trail being closed so there was no access to the range.

Other board members will be notified and action taken to notify members by mass email, web site notice or other methods as the situation dictates.

Mobility Assistance Device Use Renewal

All members desiring to operate ATV or other mobility assistance vehicles on the property shall submit, to the club Secretary, a signed agreement.

Renewals shall be submitted between February 1 and April 30, of each year.

The form for ATV, cart or mobility assistance device usage is available on the website at [Mobility Asst. Vehicle Form](#).

Note that this must be done every year.

Range Courtesy

Some things to do before you leave the range for the day"

1. Flatten boxes before you put them in the dumpster.
2. Clean up the shooting area by putting target stands away, picking up trash and dumping full trash cans.
3. Lockup building, trap houses and storage facilities.
4. Take down the Hot Range flag.

Women Only

It was brought to the board's attention that our female members and guest have found the conditions in the existing porta-pottys dismal. As a solution, a **Women Only** porta-potty equipped with a combination lock is going to be installed. The board is working on a way to distribute the combination. Again, women only!

CCW Addition to SOPs

The SOPs have been modified to clarify the Club's policy regarding concealed carry and the holstered hand guns at the range.

New paragraph in Chapter 3 - Range Operations Guide

I. Holstered Handguns

- i. Unloaded holstered handguns may be carried in the lower area of the club property, to include the vicinity around the porta-potties, the pit, the rifle range and the sign-up shack. Handguns should be removed from holsters and cased while on the firing line prior to shooter departing the property, entering the west parking lot or climbing the hill to the clubhouse/campground area. No openly carried handguns are allowed in or around the clubhouse, the campground or the western parking lot. Concealed handguns are only allowed in accordance with CCW section.
- ii. Loaded holstered handguns may remain loaded while within the confines of the pit or the rifle range, but must be unloaded prior to the shooter leaving either of those areas, including going to the sign-up shack or the porta-potties. RSOs are exempted from the requirement to unload their handgun prior to departing the specific range area while on duty, but must unload, unholster and case their handgun prior to departing the range for the day unless in compliance with section in accordance with Paragraph 14 of this chapter, "Concealed Carry on Club Property"

Modified paragraph in Chapter 3 - Range Operations Guide, D. Shooting Club Members and their guests:

- ix. Guns that are not secured in a gun case or holster must be benched, (actions open and facing up, chambers empty, muzzle pointing downrange, and safeties on) or placed in gun rack with actions open, chambers empty and safeties on

New paragraph in Chapter 3 - Range Operations Guide
14. Concealed Carry on Club Property

- A. To carry a concealed firearm on club property, you must have a valid California Concealed Carry Weapon License or be a sworn or retired law enforcement officer who is authorized to carry a concealed firearm.
- A. The firearm must remain concealed at all times unless needed for self-defense or on the firing line under conditions listed below.
- B. You must notify the Range Safety Officer (RSO) if you want to practice with the concealed firearm. The RSO will monitor the drawing of the firearm from the holster and during the unloading process. The shooter will then place the firearm on the bench or back in the holster.
- C. The RSO must be notified when you are ready to return the firearm to its concealed state and they will monitor the process to ensure safe handling practices are followed.
- D. At the RSO's discretion, you may be permitted to practice drawing from a holster, either concealed or unconcealed. The RSO may limit/restrict the ability to draw from the holster based on:
 - a. The shooter's ability to demonstrate safe practices with an unloaded firearm.
 - b. The number of shooters on the range.
 - c. Any other safety concerns.
- F. A CCW is not required in order to train drawing from concealment on the firing line or to compete in competitions requiring firearm to be concealed.
- G. Some events may require that only one firearm be on your person. In that case, notify the RSO and they will escort you to a safe place to monitor the removal of the firearm from concealment. The firearm must then be unloaded and cased. If you wish to return the firearm to a concealed state at the end of the event, notify the RSO and they will escort you to a safe location and monitor the reloading and concealment of the firearm. H. Concealed Firearms may not be handled, unloaded or loaded, at any time on club property (including buildings and vehicles) except on the firing line with an RSO present or for legally justified self-defense.

If you have any questions regarding these changes contact the Chief Range Safety Officer.

Family Fun Shoot

A volunteer or two is needed to run the NRA Family Fun Shoot. Contact the President for info.

All items offered for sale must be sold in accordance with federal, state and local laws.

Advertising

¼ - \$35 per year for non-members or commercial ads. The year will run concurrently with the membership fiscal year.

Personal ads are free for members and will run for only one month unless additional months are requested.

Help Needed

There are several upcoming events that need volunteers:

1. Board positions
2. Installation – RSOs, raffle, setup and tear down
3. NRA Family Fun Shoot – Shootmaster, Robert Freed has volunteered to do the paperwork.
4. Range Maintenance – several big projects need volunteers

Contact a board member for info.

Two-Man Rule

Some maintenance is inherently dangerous due to the nature of the work. Activities being performed at the range such as those involving power tools, operating equipment, working at other than ground level or on electrical circuits, requires **two** (2) people to be present for safety reasons. The foregoing list is not meant to be all-inclusive and common sense should prevail as to what can be dangerous. It is the responsibility of each member to recognize those activities that, should an accident occur, a second person would be needed to summon help and administer first aid.

Volunteers Needed

Volunteers are needed to plan and construct a new sporting clays station that will honor the memory of Jim Kasten's contributions to the event. Contact the club President to volunteer and for details.

Volunteers to Cook

Lemon Grove shooting Club is committed to host the Jim Kasten Memorial Cup, sporting clays shooting events.

What I'm asking to support these two first time ever shooting events is for a volunteer cook, to prepare lunch for about 100 participants shooters and guest.

Event dates:
9 June 2019
11 August 2019

Inter-Club Shoot Round 5
Sun March 10th, 2019

Sign-up open @ 8am shooting starts at 9am
\$30 includes lunch
\$15 juniors (17 and under)
Sat overnight camping is available. Email garret_d@sbcglobal.net
<https://goo.gl/maps/gPEwqfb4Qv82>

No Smoking Areas

Smoking **IS NOT** allowed on the range or in any building with the exception of the picnic area and the area around the utility building.

Range Flag Protocol

A new procedure being implemented concerning the flags at the range:

Red – The range is hot.

Yellow – The range is cold and someone is working down range.

Please pay attention, especially to the yellow. Don't assume that someone just forgot to take it down!

The wording for the SOP revision is a work in progress but will be available soon.

Cash Turn-In

The Secretary and Treasurer ask that cash being turned in either be consolidated to the fewest number of bills or, turn in a check.

For example, instead of turning in 20 one dollar bills, convert it to a single twenty dollar bill.

RV Parking Renewal

Wendell Trent is coordinating the stickers for this year so please turn in your RV permission letters to him.

All members wanting to park their RV on the club property shall submit a signed agreement for approval.

Renewals shall be submitted between February 1 and April 30, of each year. Any RV not registered by April 30, will be towed from the property.

The RV parking agreement is available on the website: http://www.lemongroveguncub.com/RV_Parking.pdf

You can also mail them to the club address Attention Wendell Trent.

Note that this must be done every year.

First Aid, CPR and AED Classes

This is a Basic First Aid and CPR Class Geared to the Shooting Sports and open to all RSO's and Members of the Lemon Grove Gun Club

Presenter: Marie Cole - American Heart Association
Instructor, OSHA CHST Trainer

When: March 24,2019 Sunday (12:00 to 5:00 PM) After the Sporting Clays Event

April 20,2019 Saturday (12:00 to 5:00 PM) After the Hybrid Pistol Match and during Open Shooting

More classes will be added as needed

Where: Range Club House, Snacks and Drinks Provided

Cost: \$55.00 Cash per person (Class size, 6-9 people)

All participants will receive a CPR, AED, First Aid Card approximately 2 weeks after the Class.

For more information or sign up for class contact:

Alan Cole, (arcole.services@gmail.com) 858-442-6583

Dave Reed (davereed@gmail.com) 619-757-9407

Content Needed

Cash Turn-in

Please go to the bank and get large denomination bills for cash turn-in or a cashier's check. You only have to count your event – the secretary and treasurer have to count all events and counting lots of small bills is a pain and error prone.

Just Say No to Steel

If you are shooting ammo that has a steel core (Russian AK and 5.56 military surplus are possible culprits) **DO NOT SHOOT** steel targets. You can use it on paper or clay targets only. If you don't know with certainty if your ammo is steel, check the bullet with a magnet.

Armor piercing ammo is banned so again, if you don't know, find out!

RV Parking at the Range

As courtesy to members, the club allows RVs to be parked at the range but is not intended as a storage facility.

- A. Permission must be obtained from the Executive Committee to park an RV at the range.
- B. See Appendix J of the SOPs for all requirements.

Hot Range

If the red flag is up, the range is hot! Please, if you are shooting, put the flag up. When you are done, store the flag.

Range Phone

The range phone is for business or emergencies only! Because of the type of service, the club has to pay a toll for some calls that would normally be free on your home phone.

If you need to make a personal call, use your cell or borrow one.

Reporting on Events

All reports, documents, and proceeds concerning club events will be turned in to the Secretary within two (2) meetings, but in no case shall exceed forty-five (45) days from the date of the event. The documents pertaining to the event includes sign up sheets, comp tickets, etc. as required for reconciliation of funds.

Steel Core Ammo

Steel core ammo, anything that is magnetic, may only be used on paper targets or clay pigeons. It is expressly forbidden on all steel targets.

This rule is being implemented because of the damage that is occurring to steel targets and to a lesser degree the potential for starting a fire from ricochets.

RSOs and Shootmasters

For RSOs who want to self-schedule or shootmasters who would like the ability to edit their events on the calendar, email Calendar@LemonGroveGunClub.com.

Bulletin Calendar

The Club is moving to a single calendar on the web for events and RSO scheduling. With that in mind, the December issue of the bulletin will be the last one with a calendar.

Board Elections

Don't like how the club is being run? Your chance to change that is coming in April. Below are the board positions that up for election or an appointed position to be filled.

President – Jerry Shiller

Secretary – Sarah Jones

Sergeant at Arms – Jim Williams

Board positions:

Brion Thomas

Wendell Trent

Rod Tetrault

Parliamentarian – Jerry Vaughn (appointed)

**Note that Rod's position will be filled by Jerry Shiller if he does not return as President. If he does, the position is up for election.*

Alcohol at the Range

Alcohol is not permitted on the Shotgun Ranges, the Rifle Range or in the Pit. Even if the person with the alcohol is not shooting or participating in the event, it is still prohibited.

Member Reminder

If you use the club house, please clean up before you leave - trash dumped, dishes washed, floors swept, etc.

Range Flag

If you put up a flag, take it down please. Especially the yellow flag as the entire range must be checked if it left up to ensure no one is working.

RSO Reminder

Leave the range in good condition when securing the range - trash dumped, old targets removed from down range, brass policed, etc.

Range Reminder

A Scheduled RSO is required to be present for any Rifle or Handgun shooting at the range. Shotguns may be used at any of the ranges including the Pit and Rifle Range.

LGR&GC

General Meeting Minutes

February 5, 2019

Meeting called to order at 7:00 p.m.

Pledge of Allegiance

Roll Call:

All board members present with the exception of the following who were excused - Frank Valdez, Dexter Haight, and Brion Thomas.

If you're interested in the Kimber custom II Minimum bid is \$850 on this donation auction. To my left I have the Henry Lever action 410 \$10 a ticket and there are a maximum of 29 tickets left. The Kimber the winning bid will be drawn tonight. The Henry if all the tickets are sold the winning ticket will be drawn tonight.

Previous Meeting minutes

Motion by Lorrie Smith and second by Jerry Vaughn to waive the reading of the minutes from the December General Membership Meeting. Motion carries.

Correspondence:

Alpine Sun issues, American Rifleman, Shooting Industry Magazine and Shotgun Sports Magazine and a Lakeside Sportsman's Club Newsletter.

Prospective Members:

If you don't have your white cards up front you may not get credit for attending the meeting. After the meeting Prospective members and sponsors need to go over and visit with Casey for a few minutes to get the scoop on how the process will go forward.

Prospective	Sponsor
Richard Higgins	Ken Schuettenhelm
Jake Hall	Kerry Standifer
A.J. Farber`	Joe Farber
Rick Brookshier	Mike Petschek
Denise Hippensteel	Kathleen Banjac
Greg Sullivan	Rob Pawlski
Karl Nester	Rick Ellington
Chris Martindell`	Kerry Standifer
John Trumble	Nick Casillas

Long Range Planning and Environmental:

Doug Norman did not report.

Hospitality:

Carol Swartz reported: February brought in \$40.

San Diego County Wildlife Federation Rep:

Mike McIntyre not here.

Range Safety RSO:

Dave Reed reported: Steel on Steel. We cannot have steel on steel in the range. Again this week we had a target at the 100 yard line with ten holes in it. We don't want to keep

buying these. You are all owners of the club, that means you are paying your money to buy new steel instead of buying other things you need for the club. Shoot steel ammo only at paper! Or shoot at your own target. It damages club property and there is a fire danger.

Also someone is shooting steel on steel in the pit. Sooner or later that round is going to come back at them and that is a major safety concern. No steel on steel!!!

We've got lots of classes coming up for those of you who would like to become RSO's. That should be on Monday February 18th. That is 70\$ for club members and \$200 for non-club members. We are trying to make sure club members get a good deal on this.

Go ahead and send me an email and I'll get you signed up for the class. I have room for 10 I think I have about 4 signed up. If we get more than 10 I'll have another class real soon. I also have the rifle instructor class coming up. I have two classes one is the basic rifle class, one of them is the basic rifle instructor class. I was trying to run them both as one but the NRA says before you can do an instructor class you have to do the basic class first. I'm trying to get the mentors on the different events we have to go through and become instructors.

For those of you who have applied for CCW's, we are teaching CCW classes at the range. The cost is \$100. You have to complete your training in the 30 day window after you get your approval. If you do your training now and then do your course after that you are golden. If you haven't carried a gun before but have not drawn from concealment or had a gun on, you need to practice before you have that letter. They are issuing about 50 a week.

Other classes we have going on, Marie is going to be doing CPR and first aid classes. We are really pushing this for the RSO's to do this but it is open to any club member. She's got two dates scheduled right now, one on March 24th and one on April 20th. It costs \$55 it will get you the American Heart Association CPR with automatic external defibrillators as well as first aid. Going to take about 5 hours for the class.

Some of you may have seen something about changes to the range. A CCW or being able to carry a CCW at the range has been kind of a grey area for a while because the only thing it said on the SOP is that you could only load your gun at the firing line. We went through and clarified in the SOP's just where you could carry concealed on the range. If you are going to shoot in a competition some of the competitions require you to not have more than one gun on you. Right now if you have a concealed carry permit you can carry concealed. Something else we changed, down in the pit, if you are on the firing line, if you want to go back and get a box of ammunition you had to unload your firearm and holster it and walk back to get your ammunition and walk back to the firing line and reload. That has changed. If you are staying in the immediate vicinity of the firing line you can carry your firearm in your holster loaded. In the pit as long as you stay in the pit you can carry a loaded firearm. If you stay on the rifle range, as long as you stay on the rifle range you can carry a loaded firearm. If you walk out of that

door, or if you start walking up the hill from the pit, your firearm must be unloaded. If you are just going to the port a potty your firearm must be unloaded. You may have your unloaded firearm in your holster. If you are a working RSO we don't expect you to unload your firearm if you're going to the bathroom or getting something to drink.

Membership:

Casey reported: 233 Regular members 165 Senior, Gold 44 and Military 3 and 114 Openings. However we have 9 or 10 prospective members so that number will change. If you are going to renew and have not brought your stuff to me in 5 minutes it'll be too late for tonight.

Range Chair:

Jerry Hartman reported: At the December work party we had 60 members. We got quite a bit of work done. We had Dave Schmidt who brought his bobcat with an auger on it and came out and drilled a number of holes for Jim Kasten's station as well as holes to hold up the post for the tractor's canopy. Dave installed a new light for barbecuing at the installation party. For those of you who have seen the sign up shed we have been working on the walls in the sign up shed. If anyone has some idea what color they'd like to see it, let me know. The blue truck: often when people go to use it the battery is dead. I went and bought a 200 amp jump starter for it, it belongs to the range, don't take it home! Our next work party is this Thursday. We need help setting up for Archery. You only have three opportunities left to get a work party out of the way for your NMA. February, March April to get a work party. The Saturday work party will be on the 23rd of February.

Jerry S.: I have a special presentation tonight on the website by Greg Robertson, his wife Cheryl and Lorrie Smith.

Greg: We did a new website so we could have a new Calendar. We wanted one calendar not three to have to synchronize three calendars to have the same information. The new calendar shows up on the club website on the calendar page. Those of you who are using the website on a phone or tablet you may not see this calendar correctly. If you cannot see the calendar on this page scroll to the bottom of the page and there is a link with a bunch of text. Click on the link it will take you to the actual calendar page that you can see. The whole idea of the calendar is for shootmasters and RSO's to be able to update the calendar in real time. If you hover over the event you will get more details on the event. If you click on the calendar you'll get more details of the event. If you will notice the events are color coded - RSO events are grey; Pit events are black; Range maintenance are orange; Weather days like red flag days will be red. Range closure. Because we have had rain for a couple of weeks we have had a lot of cancellations. As soon as we know we are going to cancel an event we can log into the calendar and mark it cancelled. People can look at the calendar and know not to drive up to Alpine for no reason.

If you are an RSO or Shootmaster and would like to logon to the calendar to edit it, we are self scheduling now. Send an email to calendar at Lemon Grove Gun Club .com and

Cheryl and I will create you a login so we'll email it to you and if you need help to use it we'll walk you through it as well. On the calendar itself, the legend tells you what the different colors mean. If you want to see just one type of calendar entry you can click on the eye ball and it filters out everything but what you want to see.

For those of you who are smart phone users, android phones or iPhones there is an app for phones. Cheryl wanted me to tell you folks about the events. There is a list of recurring events on the calendar. Each event has an orange color code. If the event doesn't look right to you, contact us and we will fix it. On the member page, there are a series of links, there is a link to the range camera.

Where can you find scores on events? You go to the calendar and select members, and there is a link to match and league scores. As the shootmaster gets the results Cheryl is plugging them in there.

Lorrie just wanted to thank Greg and Cheryl for all the time they put in to making this Calendar for the club. They have done an outstanding job.

Eight more tickets for the Henry 410. Wendell wanted two and Casey wanted two too.

Activity Reports:

Friday Night Pot Shoot:

Larry Sanders reported. For the month of December we had 4 shoot events with a total of 94 shooters. We did have a Saturday night Pot Shoot 17 pot shooters. For January we had 4 shoot events with 109 shooters and a Saturday night Pot shoot for January with 15 shooters. Thanks to Rod Tetrault, Layne Kuhlman, Ray Gabaldon, Dave Shannon, Herb Snider, Ron Deloux, Norma, Wendell Trent, and Stu and Shirley.

Fun Shoot:

Frank Valdez not here:

Sporting Clays:

Rod Tetrault reported: Everybody seemed to be in slow motion. Total shooters were 133. Nobody was really with it. Frank and his crew did well to keep everything going.

Tuesday 5-Stand:

Rod Tetrault reported: We had 117 members 62 nonmembers total of 179. We got rained out one day. It wasn't a bad month, but it could have been better. I just didn't want to see anyone slipping in the mud.

Trap League:

Iron Man Ken Jossenberger reported: 18 shooters. We are in the 5th week. Registrations for the next league will open on March 1st. We start the league March 13th.

Interclub trap:

Ken Jossenberger reported. Next interclub will be hosted by Imperial Valley Rifle and Pistol club that is this Saturday. Maywood will host on March 10th at Maywood. We don't have a date for Vado del Rio yet. Our location.

Youth Trap:

Cheryl couldn't be here this evening so it's up to me. It's really been a terrific turnout for the kids the last couple

of shoots. We have even opened up the second trap range it's really good to have the newer shooters have additional instruction and the older shooters can shoot. This Saturday there is a conflict with the Interclub and most of the RSO's mentors and instructors are going to be shooting so we had to cancel the kids for this Saturday. We shoot the 2nd and 4th Saturdays of each month. 12 to ?. We do have a junior division in the interclub...the kids have been invited.

Precision Rimfire:

Dave Reed reported. Doug does the precision rimfire. Dry fire training. Taking your time to hit your target a long way away. He is filling up every time he runs one of these matches. If you see an email come up, sign up early. Go out there ready to learn. He also says no steel on steel.

Tactical Shotgun:

We have a tactical shotgun match on Sunday March 31st. Set up is going to be Saturday the 30th at noon after Doug's precision rifle. It takes a lot of time and effort to set that up and take that down. Action Handgun match on 2nd of February. Join us on the 29th to help set up we can always use a hand. 30th at 8am is the match.

Action Hand gun:

I turned in the hybrid pistol for the month. We just had the action handgun and had 46 shooters. And some of them were shooting two guns. We took in over \$360 dollars. 16th March is the next Hybrid Pistol Match and going to run the snubby match right after that as a follow up.

The snubby match is a 3 inch barrel or shorter. The match is set up for gun in hand and rounds loose in the pockets. Just like you had to run out of your bedroom and grab some ammo. 5 round and 10 or 15 rounds. All in the pit so the rifle range can open up after the hybrid pistol match. The only thing you need to bring is your gun and 50 rounds of ammo and some kind of case to take it on and off the firing line. Center fire. March 16th. Paper targets.

WOT:

Dexter Haight not here: The WOT in January 35 women showed up . They all had a very good time. We will be needing mentors. If you are so inclined please come down. 2nd Sunday in April. Hopefully we will have a full clinic. Who knows until a week or so before. It should be a full clinic.

Sporting Rifle:

Chris reported that he had no shooters in December.

Action Rifle:

No report.

Boy Scout Merit Badge:

Jerry Shiller reported: Next scheduled Boy Scout Merit badge is the first Sunday in February. Next scout Merit badge is in April on the 1st Sunday. When parents realized that the shoot was on Super Bowl Sunday they cancelled. Ronnie hasn't told Jerry whether it will be a rifle or shotgun.

Archery:

Mark Jungers reported. Total of 72 shooters and turned in \$1032.00. Mark gets extra kudos for working by himself while Rod heals.

Black Powder: Ron Major reported. We had 5 shooters and 3 of the 4 gentleman that joined me wanted to shoot shotgun at clays so if you're interested watch the calendar. We are going to shoot one of the matches this year with shotgun at clays on the shotgun range.

Any other activity reports?

Defensive Handgun:

Stan Luhr reported. One event that you can attend that is cheaper than Dave's classes is defensive handgun. The last time we had 46 shooters 19 new shooters. Learning how to use their handgun, from an outside the waistband holster. In the advanced classes you can practice drawing from concealment. We go through a dry practice drills and a command driven class. Most of it is paper targets so you actually get to see exactly where your shots are landing. In the advanced classes we have a pretty sophisticated group of guys and gals. We start shooting while moving. If you want to practice in a non threatening environment. Three top RSO's Bill Palmer, Cheryl Robertson and Dave Reed have been showing up and giving the beginning hand gun folks a lot of extra attention. Everyone is having a really good time.

Dave Reed: for those of you getting your CCW this is an excellent chance for you to practice.

Unfinished Business:

If you were a 10 % award winner please see me before you leave. I have a list if you are not sure whether you have earned the reward. For those of you that need gifts for friends, neighbors, family, yourself I still have Large and extra large club sweatshirts. We have mugs, a few of the koozie lunchbags remaining and patches for your shirt.

The club is coming up for elections in April. There will be several Board positions available Parliamentarian which is an appointed position will be available. We need someone to tally RSO hours. We need a webmaster's aid so Greg and Cheryl won't have to do everything. We need someone to run the ranges and raffles for the Installation in May and someone to run the NRA Family Shooting Sports Camp in the fall. Robert Freed who has done the paperwork for that event is willing to do the paperwork so all the volunteer has to do is run the range and keep track of the volunteers and be sure that every body stays safe on the range. We are looking for those positions in the very near future.

Then is there any other unfinished business from the Board?

New Business:

Is there any new business from the Board?

There is a new women's only portapotty and a member had seen fit to go in and make a mess. We are going to put a lock on the facility so it will be only for women.

Any new business from the floor?

Next Saturday is a Saturday night Pot Shoot a member is bringing 17 bags of shot and several bags of buck shot and lead for new shot. Any one interested he will be here Saturday the 9th.

New Business:

By now you should have received your dues notice by now. The last day to turn everything in is April 30th. There are three more Saturday work parties and 4 Thursday work parties. Has to be postmarked no later than April 30th or put in Casey's hand by the April meeting.

For Voting for new Board Members.

That election will be at the April meeting. The SOP's require that for a member to vote he must have attended three meetings. The Board has decided that since you are at a disadvantage that if you have attended two meetings you will qualify to vote. If you have attended two meetings including May you will be allowed to vote. The April meeting counts as well.

Tickets for the Henry Lever action 410. The drawing will be when all 100 tickets are sold. The Tickets have been sold. Bill Palmer who has not purchased a ticket will choose one from the box. Bill pulled Dave Reeds name. We will get together to decide where and when.

Paul Lichtenstein is buying the Kimber.

Jerry V. said all of the new changes and SOP's are on the new website and the new CCW policy is on the new website as well.

For the prospectives: When you come to pick up your white card make sure your name is on this roster, which is our record that you were here.

Meeting is adjourned.

All the chairs go along the wall not in the closet! Meeting is adjourned at 8:01pm.
