## President's Message

**Jerry Shiller, President**

[President@lemongrovegclub.com](mailto:President@lemongrovegclub.com)

With the end of the Club's fiscal year on April 30, there will be new members of the Board of Directors. Thanks to Brion Thomas who served on the Board for two years and Dexter Haight who served at least 9 years. Replacing them will be Clyde Wilson, who served previously and Paul Dugas. Thanks to retiring Parliamentarian Jerry Vaughn who kept the Board in line for over 10 years. I appreciate the help all of you have given the Club and hope that you won't be strangers in the future. Other members who have recently volunteered to help the Club are Debbie Elliott, new Webmaster, Alan Cole, first aid kit maintenance, Robert DeFrates, tally of RSO hours. I also want to thank all the Shootmasters, other Board members, RSOs, and 10% club members for all their efforts to make the Club run as efficiently as it does. Stay Safe and invite a new shooter to experience our sport

## Board Elections Results

President – Jerry Shiller

Secretary – Sarah Jones

Sergeant at Arms – Jim Williams

Board positions:

Paul Dugas

Wendell Trent

Rod Tetrault

Clyde Wilson

Parliamentarian – Open (appointed)

## Summary

**April 2019**

### Board of Directors Meeting

The Board approved three individuals as new members. Saturday September 28 was approved for the annual 2<sup>nd</sup> Amendment Shoot. Stan Luhr is event chair. Plans for the annual Installation of Officers were finalized. Installation Chairs Lorrie Smith and Sarah Jones presented their schedule for the day's events which was approved. There will be rifle and shotgun shooting in the morning. The handgun match scheduled for the morning of May 4, will occur, but in an abbreviated format. Food service will begin around noon with appetizers. The meal (pit roasted meats, salads, etc.) will be served about 1:00 pm. At about 12:15, the new Jim Kasten Memorial Sporting Clays station will be dedicated. Awards, welcome of new Board members, and raffles will begin following the meal. Several firearms will be included.

Nominations were submitted for the Club's Annual Awards – Man-, Woman-, Junior-, and Social members of the year, and the Dirty Bird Award; awards to be announced at the Installation. Membership Chair Casey Gastrich commented that the pace of membership renewals was very slow this year compared to previous years. The Board discussed the possibility that the number of Club members might decline significantly. The Board voted to name the sign in shack/utility building in honor of John and Wilma Schreuer for their long-term membership (50+ years) and role in developing the Club.

New Directors Clyde Wilson and Paul Dugas were present to get their feet wet for the coming year. We still need volunteers for Parliamentarian, NRA Family Shooting Sports Camp, and San Diego County Wildlife Federation representative

## Club Dumpsters

Cardboard goes in the recycling dumpster near the building on the lower trap range. Please DO NOT put it in the trash dumpsters.

## Help Needed

There are several upcoming events that need volunteers:

1. NRA Family Fun Shoot – Shootmaster, Robert Freed has volunteered to do the paperwork.
2. Range Maintenance – several big projects need volunteers.

Contact a board member for info.

## Safety Alert Jerry Shiller

Here is a partial notification of a safety alert from Smith & Wesson. Go to the Safety tab on their website for more details.

DESCRIPTION - Please Read This If You Have A M&P15-22 Rimfire Firearm.

PRODUCT AFFECTED:

ALL models of M&P15-22 rifles and pistols manufactured before February 1, 2019.

STOP USING YOUR M&P15-22 UNTIL IT HAS BEEN INSPECTED AND YOUR BOLT REPLACED (IF NECESSARY).

Smith & Wesson has identified two M&P15-22 firearms from recent production on which the breech face counter bore depth was not within manufacturing specification. In those firearms, the lack of depth may allow the bolt, upon closing, to crush the rim of the case, causing the round to fire, cycling the bolt, and potentially resulting in multiple discharges without depressing the trigger. This issue can occur in the following two scenarios:

- 1) With a loaded magazine in the firearm and the bolt locked to the rear, depressing the bolt release to allow the bolt to drop freely may ignite the round as the bolt closes without engaging the trigger and with the safety selector in either the safe or the fire position, and may also result in multiple discharges.
- 2) With a loaded magazine in the firearm, bolt in the closed position and a round in the chamber and the safety selector in the fire position, depressing the trigger will cause the round to fire normally, however as the bolt cycles, the next round may be ignited by the bolt crushing the rim of the case as it closes, causing multiple discharges.

We believe that these are isolated incidents, however, any unintended discharge of a firearm has the potential to cause injury. Therefore, we have developed this inspection procedure to ensure that all products in the field are safe to use. We are asking customers to perform the following procedure and to refrain from using their M&P15-22 until the bolt has been inspected and replaced as necessary.

## Cash Turn-in

**Please** go to the bank and get large denomination bills for cash turn-in or a cashier's check. You only have to count your event – the secretary and treasurer have to count all events and counting lots of small bills is a pain and error prone.

## Unused Gear Donations

Do you have so unused gear laying around that you would like donate to the club for installation drawings. Contact Lorrie at [trakracer@cox.net](mailto:trakracer@cox.net).

## RSO Benefits

Beginning May 1<sup>st</sup>. RSOs who serve at least 200 hours over the course of the fiscal year will have their membership renewal fees waived.

Scheduled RSO can shoot by themselves if no other shooters are on the range.

## Volunteers to Cook

Lemon Grove shooting Club is committed to host the Jim Kasten Memorial Cup, sporting clays shooting events.

What I'm asking to support these two first time ever shooting events is for a volunteer cook, to prepare lunch for about 100 participants shooters and guest.

Event dates:

9 June 2019

11 August 2019

## SOP Change

### Chapter 4 – Range Rules

#### General Range Rules

16. During scheduled events the entire range is closed to other shooting activities unless noted in an event's description. If some ranges are available you must still coordinate with the event's Shootmaster.

### How to check

If there is an event on the calendar, click on the event and check the description. For example, the black power shoot description has "Trap and Pit remain open during this event." In this case, the trap and pit may be used during the event but you must coordinate with the shootmaster. There are a few additional points:

1. Don't assume that because an event **was** sharing ranges that it will always be doing so. Check the calendar!
2. Don't assume that, for instance, because an event is for pistol that only the pit is being used. Check the calendar!
3. Don't assume anything – check the calendar!

# Are Gun Owners reaching the Tipping Point?

Joe Drammissi

Some of you may have read “The Tipping Point” by Malcolm Gladwell. To quote from the Amazon book description “The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire”. Americans may be close to reaching a tipping point regarding resistance to oppressive gun control laws.

Today the Second Amendment is under vigorous attack. This is probably due to a combination of things. We seem to have a mostly apathetic community of gun owners. In addition, we have an intentionally misinformed public. Finally, we have a major political party, supported by their media surrogates, that is virulently anti-gun. Both have spent most of the last thirty years aggressively demonizing gun owners. They’ve been very successful in this effort.

The good news is that there are signs that Americans are beginning to push back. It may be that the level of oppressive, unconstitutional anti-gun laws has reached a point where Americans have had enough, a tipping point.

Consider the following:

New Jersey has made possession of standard capacity magazines a criminal offense. Residents are expected to turn in to law enforcement or destroy any standard capacity magazines they possess. Apparently, NJ residents have refused. Various NJ law enforcement agencies have reported virtually no magazines turned in.

Sheriffs throughout Colorado are refusing to enforce newly enacted Red Flag Laws. Local political leaders are supporting the Sheriffs. This is extremely unusual behavior Over half of Colorado’s counties say they will not comply with ill-conceived and dangerous Red Flag laws. The same is happening in Washington, Oregon, and New Mexico.

The US District Court for the Southern District of California permanently enjoined California’s ban on standard capacity magazines. The State has appealed. However, Judge Benitez’s opinion is so well written, logical, and factually supported that the chance of these laws being overturned once and for all is very good.

Missouri will likely pass a law banning all federal gun control laws. The law, if passed, will certainly be challenged in court. What would motivate a state legislature to pass such a bill? Could this be a sign of a tipping point at the state level?

Mainstream media is reporting more self-defense incidents. National news outlets almost never covered incidents where an armed citizen successfully defended against a violent criminal. Stories of that nature violate the standard media narrative that guns and gun owners are bad. That seems to be changing with those stories appearing more frequently.

We in California are on the front lines in the fight to restore and preserve our rights. Things tend to happen first in California, both the good and the bad. Bad laws that originate in poorly governed states like California, New York, and New

Jersey tend to spread to other states.

Fortunately, most Americans aren’t having their rights trampled to the degree that we see in California. Californians have been slow to realize the danger. Other Americans would be wise to defend the rights they have rather than waiting until they’re forced to fight to regain lost rights. Americans need to reach a tipping point.

The right to self-defense is a basic human right. Gun ownership is an integral part of that right. If you want to keep your rights defend them by joining San Diego County Gun Owners (SDCGO), the California Rifle and Pistol Association (CRPA), and the National Rifle Association (NRA). Join the fight and help us restore and preserve our second amendment rights. Together we will win.

## Black Powder

Ten people shot this match on April 21st. Targets were a Bear swinger at 25 yards, Duck silhouettes at 50 yards and a Bison swinger at 100 yards. There was a three-way tie for first. Mike Steinmetz won the shoot-off to take first. Tim Cook was second in the shoot-off. Ron Major was third. A Black Jack hand could be obtained by hitting the Bear. There was a three-way tie at 17. Tony Jeske won the draw-off with a 7.

**(There will not be a Black Powder Shoot in May.)**

Mike Steinmetz.....	14	Ron Major.....	14
Tim Cook .....	14	Gary Allgeier .....	12
Trent Alford .....	12	Tony Jeske .....	11
Dave Boyle .....	10	Joanne Frazier .....	10
Harry Kirk (pistol) .....	5	Pati Pecart Cook	DNF

## Reporting on Events

All reports, documents, and proceeds concerning club events will be turned in to the Secretary within two (2) meetings, but in no case shall exceed forty-five (45) days from the date of the event. The documents pertaining to the event includes sign up sheets, comp tickets, etc. as required for reconciliation of funds.

## San Diego County Gun Owners

San Diego County Gun Owners (SDCGO) is a political organization that focuses on expanding and restoring Second Amendment rights within San Diego County. SDCGO was formed due to an aggressive and successful legislation and regulatory effort to significantly limit or eliminate the firearms industry and the general ownership and use of firearms and the firearms industry in California at the municipal, county, and state level. SDCGO's solution is a local, non-partisan, volunteer group with full-time staff that does four things to get the right people elected on local San Diego councils and boards:

Second Amendment Advocacy at the city/county level

Second Amendment Community Organizing

Political Fundraising

Working with the local gun industry on the first 3

### HOW DO WE DO IT?

SDCGO is dedicated to preserving and restoring San Diego citizens' gun rights. SDCGO has developed a strong, permanent infrastructure that focuses on changing the face of gun ownership by working with and through volunteers with regard to local and state level activism and outreach. Since its beginning in 2015, SDCGO has made a profound influence and advancement on policies protecting the Second Amendment throughout San Diego County.

SDCGO provides a calendar of activist events and recreational shooting events on our website and through a weekly email and the opportunity to get together with a variety of other activists at our monthly organizational meetings.

Our members are active in their neighborhood community and joined SDCGO to leverage their efforts together as an influential, effective Second Amendment rights organization.

### WHO DO WE REPRESENT?

San Diego County Gun Owners consists of San Diego's shooting enthusiasts, Second Amendment supporters, people who own guns for defensive reasons or sport, firearms dealers and firearms accessory dealers, and elected officials who want to restore and protect the right to keep and the right to bear arms in California.

### WHAT DO WE ADD TO SAN DIEGO?

We bring a Second Amendment focus to local San Diego politics that did not exist. SDCGO is the permanent infrastructure to improve candidate bench strength and precinct operations and a meaningful way for gun owners to get involved in politics. SDCGO will increase voter turnout by giving guidance and hope to single-issue, Second Amendment voters.

**Together We Will Win.**

## Two-Man Rule

Some maintenance is inherently dangerous due to the nature of the work. Activities being performed at the range such as those involving power tools, operating equipment, working at other than ground level or on electrical circuits, requires **two** (2) people to be present for safety reasons. The foregoing list is not meant to be all-inclusive and common sense should prevail as to what can be dangerous. It is the responsibility of each member to recognize those activities that, should an accident occur, a second person would be needed to summon help and administer first aid.

## RV Parking at the Range

As courtesy to members, the club allows RVs to be parked at the range but is not intended as a storage facility.

- A. Permission must be obtained from the Executive Committee to park an RV at the range.
- B. See Appendix J of the SOPs for all requirements.

## Just Say No to Steel

If you are shooting ammo that has a steel core (Russian AK and 5.56 military surplus are possible culprits) **DO NOT SHOOT** steel targets. You can use it on paper or clay targets only. If you don't know with certainty if your ammo is steel, check the bullet with a magnet.

Armor piercing ammo is banned so again, if you don't know, find out!

## RSOs and Shootmasters

For RSOs who want to self-schedule or shootmasters who would like the ability to edit their events on the calendar, email [Calendar@LemonGroveGunClub.com](mailto:Calendar@LemonGroveGunClub.com).

## RV Parking Renewal

Wendell Trent is coordinating the stickers for this year so please turn in your RV permission letters to him.

All members wanting to park their RV on the club property shall submit a signed agreement for approval.

Renewals shall be submitted between February 1 and April 30, of each year. Any RV not registered by April 30, will be towed from the property.

The RV parking agreement is available on the website: [http://www.lemongroveggunclub.com/RV\\_Parking.pdf](http://www.lemongroveggunclub.com/RV_Parking.pdf)

You can also mail them to the club address Attention Wendell Trent.

**Note that this must be done every year.**

# California Ammo Laws

## Joe Drammissi

Gun owners that pay attention know that some changes in how we buy ammunition are coming in July. In addition to the current face-to-face transaction requirement that has added cost and inconvenience to my online purchases, we can expect the following in July:

All ammunition purchases will require a point-of-sale “eligibility check” (background check), a \$1 fee to be paid by the applicant

The seller will be required to report your purchase to the state (date, caliber, brand, amount, salesperson’s name) where it will be documented in their database

If you don’t have a firearm registered with the state a one-time eligibility check at a cost of \$19 is required to purchase ammo (or you can register one of your guns)

Sales will not be permitted to non-California residents, no California driver license, no sale

The stated purpose of these restrictions is, as always, to reduce crime and improve public safety. Rational adults firmly grounded know otherwise.

The only reason for the State to create a database tracking ammunition purchases of law-abiding citizens is to lay the groundwork for limiting ammunition at some future date. Who needs more than 50 rounds per month? Ammunition rationing has already been attempted in [Oregon](#) and [New York](#).

As with almost all gun control laws, this is just a back door attack on the second amendment. If guns can’t be restricted (which is already being done) then make it difficult to get ammunition, difficult to buy guns, and difficult to find places to legally shoot guns.

While legal action isn’t always the answer, it can be a valuable tool in the fight to protect our rights. The [recent overturning](#) of California’s unconstitutional standard capacity magazine ban is a great example.

To ensure this tool is always available we need to support organizations that challenge unconstitutional laws. The [California Rifle and Pistol Association](#) and the [NRA](#) were the two involved in the above example. Find a pro-2A group (preferably several) you like and support them!

Unfortunately, gun owners are not always as informed and engaged as they should be. I recently had a shooter at a [USPSA](#) match tell me his “give-a-shit meter was at zero” regarding the politics of gun control laws. That’s unfortunate as you can bet that Gavin Newsom’s give-a-shit meter is pegged at 110% when it comes to stripping you of your rights. If gun owners don’t care no one else will and we lose.

So, what can you do?

**Consider reloading**—Reloading ammunition is fun! It will also save you money and allows you to tailor your rounds to match your needs. In addition, it keeps you out of the State’s database.

**Stock up and hope the law gets overturned**—Groups like CRPA and NRA will almost certainly challenge this law when it takes effect in July. Stock up on ammunition now and maybe you can avoid needing to purchase ammo until the law

is overturned.

**Do nothing and submit**— This is unfortunately what many will do which is why we have the problem in the first place. I hope this assumption is incorrect. I’m optimistic in that people in increasing numbers across the country are refusing to comply with these unconstitutional laws. We’ll see what the people of California do.

**Get involved and fight back** – Educate yourself. Spread the word to others. Support groups that are fighting for your 2A rights. The real long-term solution to the problem is to stop electing politicians that want to strip you of your rights.

The right to self-defense is a basic human right. Gun ownership is an integral part of that right. If you want to keep your rights defend them by joining [San Diego County Gun Owners \(SDCGO\)](#), the [California Rifle and Pistol Association \(CRPA\)](#), and the [National Rifle Association \(NRA\)](#). Join the fight and help us restore and preserve our second amendment rights. Together we will win.

*Used with permission of Joe Drammissi and San Diego County Gun Owners..*

## RSO Reminder

Leave the range in good condition when securing the range - trash dumped, old targets removed from down range, brass policed, etc.

## Range Reminder

A Scheduled RSO is required to be present for any Rifle or Handgun shooting at the range. Shotguns may be used at any of the ranges including the Pit and Rifle Range.

## Steel Core Ammo

Steel core ammo, anything that is magnetic, may only be used on paper targets or clay pigeons. It is expressly forbidden on all steel targets.

This rule is being implemented because of the damage that is occurring to steel targets and to a lesser degree the potential for starting a fire from ricochets.

## Mobility Assistance Device Use Renewal

All members desiring to operate ATV or other mobility assistance vehicles on the property shall submit, to the club Secretary, a signed agreement.

Renewals shall be submitted between February 1 and April 30, of each year.

The form for ATV, cart or mobility assistance device usage is available on the website at [Mobility Asst. Vehicle Form](#).

**Note that this must be done every year.**

## General Meeting Minutes

April 2, 2019

Meeting called to order at 7:00 p.m.

### Pledge of Allegiance

Roll Call:

All board members present except for the following who were excused – Frank Valdez, Dexter Haight, Paul Lichtenstein and Jerry Vaughn.

### Previous Meeting minutes

Motion by Clyde Wilson and seconded by Brian Carty to waive the reading of the minutes from the last General Membership Meeting. Motion passed.

### Correspondence:

Alpine Sun issues, American Rifleman, Shooting Industry Magazine and Shotgun Sports Magazine and a Lakeside Sportsman's Club Newsletter.

The Sgt at Arms and Secretary have said they will continue if there is no one interested. Any nominations for Secretary? The secretary Sarah Jones accepted. Are there any nominations for Sgt. At Arms? Jim Williams was accepted by acclaim.

### Prospective Members:

If you don't have your white cards up front you may not get credit for attending the meeting. After the meeting Prospective members and sponsors need to go over and visit with Casey for a few minutes to get the scoop on how the process will go forward.

Prospective	Sponsor
Barbara Cimins	Analia Tibaldi
Phil Moses	Brent Hoover
Robert MacCullough	Paul Dugas
Mike Lobasco	Stan Luhr
Mark Jones	Paul Dugas
Victoria Reynolds	John Sherlock
Jerry Harknell	Stan Luhr

### Long Range Planning and Environmental:

Doug Norman reported. Nothing going on for Long Range A lot of things being taken up by maintenance. If you know of something that is going on environmentally let me know.

### Hospitality:

Carol Swartz reported: Please have prospective members sign in on the sign in sheet.

### San Diego County Wildlife Federation Rep:

Mike McIntyre not here.

### CPR and First Aid Classes:

Alan Cole gave the update. First Aid classes are being held for anyone that wants to take them. 6 people are signed

up now, and we need three more for this month. April 20, Saturday from noon to five. It's a basic first aid class for the shooting sports. It's put on by the American Heart Association

**Treasurer:** Brian Carty reported: Unusual expenditures were the clay targets and awards for the installation.

### Range Safety RSO:

Dave Reed not here.

### Membership:

Casey reported: 239 Regular members 164 Senior, Gold 48 and Military 4 and 107 Openings. We had 36% renew

### Range Chair:

Jerry Hartman reported: At the last work party we had 58 members show up. We are still working on the inside of the sign in shed. We must respackle the windows. We got our concrete pad poured in front of the sign in shed. We are going to concrete everything in so we can start on the ramp itself. We continued our work on the 50-yard bunker. Dave Schmidt dug some holes with his bobcat and put in some new poles for it. We had a few members come in and do some landscaping by the clubhouse. Our member Craig Knox came over with his mower and brushed out in front by the road and the archery trails and the trap machine on the east side of the property so Frank and his crew can get to them much easier. Jean made a new sign for the club. We repainted the red and yellow lines on the rifle range. We put the red trauma bags in black plastic tool boxes because we were having trouble with the mice getting into the canvas bags. Our next work party is April 11, Thursday. And one at the end of the month. I wanted to thank Phyllis and Carol for a great lunch.

We have openings for two Directors at Large. We do have two directors who would like to continue. No nominations were given. We need a third director. Clyde Wilson was nominated. I move that we accept the three individuals be accepted by Acclaim.

The next position is President. Is there any nomination from the floor for President? Jerry Shiller was accepted by acclamation.

Dexter Haight has asked to step down. We need a director to fill out the balance of the year term. A Director must attend the Board Meetings and General Meetings and they help guide the future direction of the club. Cheryl Robertson nominated Kathleen Banjac, and she said no. Wendell Trent nominated Cheryl Robertson she said no. Bill Hamilton said no. How about Layne. **Paul Dugas** accepted the nomination. I move that Paul Dugas be accepted for the balance for Dexter's term

### Activity Reports:

#### Friday Night Pot Shoot:

Larry Sanders reported. For the month of March, we had 4 shoot events with a total of 117 shooters. We did have a Saturday night Pot Shoot 13 pot shooters.

#### Fun Shoot:

Frank Valdez not here

### **Sporting Clays:**

We had 134 shooters. The next shoot we will have will be on the fourth Sunday. This month we had the Green Beret's. It rained all day. We also had the BIA. We don't have any more groups coming in.

### **Tuesday 5-Stand:**

Rod Tetrault reported 184 shooters. We only had 3 shoot days. We had 120 members and 64 nonmembers. I want to thank all the guys who come out and play. We have a good time

### **Interclub trap:**

The last interclub was hosted by Maywood and they won that interclub and it put them ahead 3 to 2. The next interclub will be hosted by Vado del Rio April 24th at Redlands shooting park. That will be the last hurrah for Vado del Rio.

### **Youth Trap:**

Cheryl Robertson reported: We had one shoot for the month of March. We had 6 shooters total. Our high shooter for the day was Isaiya Swansen who shot a 23 out of 25.

### **Tactical Shotgun:**

No report

### **Action Hand gun:**

Next match is this Saturday

### **WOT:**

WOT is on Sunday April 14<sup>th</sup>. If you have not responded to Sue or Eric Johnson that you would like to help out, please do so

### **Sporting Rifle:**

Chris is not here. Due to the low shooter counts lately. This will be the last match and Chris is not able to renew his membership. If we do revitalize the match it will take a new shoot master. If there is no new shoot master, in June we will only be the Precision Rimfire Match.

### **Action Rifle:**

No Report.

### **Boy Scout Merit Badge:**

Ronnie reported: It's a shotgun merit badge shoot I need another 5 or 6 mentors.

### **Archery:**

The Archery shoot masters have left but if you have any interest in helping on the day of the Archery Event next month contact Rod Richardson.

### **Black Powder:**

Ron Major not here

### **Low Light Handgun:**

No report.

### **Rimfire:**

No report

### **Precision Rifle:**

We just had a match last Saturday and had 13 shooters come out. Doug Roper reported the next match is on April 21<sup>st</sup> which is Easter.

### **Defensive handgun:**

Stan Luhr reported. We did have one event last month. 13 shooters came out last month and a huge number of RSO's. Last advance class I had a person that attended that had been suggested to come as a guest. He had no experience at all. If you are recommending that someone come to the advanced class, make sure that they have some good tactical skills. If they don't have them, have them come to the beginner class. We can't have beginner shooters on the fourth Friday. Beginners need to come on the 2nd Friday of the month.

### **Friends of NRA:**

Ronnie reported the gun that is up for raffle is one of 110 rifles and a vanguard model Weatherby with an NRA logo on the back. The tickets are expensive, they are \$100 a piece

### **Hybrid Pistol:**

We had 15 members and 13 guests

### **Unfinished Business:**

We had elections tonight. We still need Volunteers. If the club is going to have an NRA Family shooting Sports Camp in the Fall, Robert Freed has agreed to do the County paperwork, but we need a shoot master for that day. We need a club Parliamentarian. Sounds like something simple but we refer to the Parliamentarian every other Board meeting for some issue, so we get things right on the Board. With Chris Bemis not renewing we will need somebody to take over maintenance on the First Aid Kits. Chris has been doing that partly because he is in that business. You don't necessarily have to be in the supply business but if you understand what is needed in the First Aid kits and keep an inventory and let the range chair or the Board know when we need supplies we can get them ordered and also the checkout dates for the AED. I'm happy to report that for Webmaster Debbie Elliott has volunteered to take that. The person keeping track of RSO hours Robert Ufrates has volunteered for that. Installation Co-Chairs Lorrie and Sarah have volunteered to do that. If there are other things that you see that need done and something that recurs from Month to Month, I'd be happy to have you happy to volunteer and take charge of that. We are a volunteer club. If we don't get a huge increase in member renewals our numbers are going to shrink by maybe half. That means there is the same amount of work to do but fewer people to do it. Keep that in mind. If you have friends that are club members that haven't renewed, we need them to renew.

Is there any new business from the Board?

On May 4<sup>th</sup> is the installation we have a lot of 10%er stuff that we ordered. We have polo shirts and several things. So, plan to attend and it's a good time to get together and a chance to win some good prizes. We need to get a count to Paul so he can have enough food. We have a rough schedule. About 1pm we are going to go to the event activities like the food and raffles.

We are doing RSVP's on the website this year.

Jerry H. on April 11<sup>th</sup> we need some people to set up for Archery. If you have a cart and you want to use it stay in the dirt, don't drive over the curbs.

Any new business from the floor?

For the prospectives: When you come to pick up your white card make sure your name is on this roster, which is our record that you were here.

All the chairs go along the wall not in the closet! Motion by Casey Gastrich and seconded by Lorrie Smith to adjourn. Meeting is adjourned at 7:58pm.
