President's Message

Jerry Shiller, President

President@lemongrovegclub.com

We are inching closer to have all the Club's appointed/volunteer positions filled. The one position still needing to be filled is the Coordinator for the NRA Family Shooting Sports Camp. This person would be responsible for getting a SD County event permit, coordinating RSOs and mentors to man the ranges, and doing some publicity to be sure the community is aware that it is happening. The event, which has previously been held in September or October, is a Club open house in which members of the public are invited to come to the Club and try shooting different firearms. We received an NRA Foundation Grant for the event two years ago which provided ammo. We did not hold this event in 2018 because we did not have anyone step forward to run it. If we are unable to put on this event in 2019, we will likely have to return ammo, or money to pay for the ammo, to the NRA Foundation. If we are unable to put on this event it may affect the Club's ability to receive Grants for our other outreach programs, i.e., Women on Target, Youth Trap, or the Boy Scout Merit Badge program. Please consider volunteering. Jerry Shiller, President

Fun Shoot News

The Fun Shoot is now for members and immediate family only. **No guests.**

Volunteers to Cook

Lemon Grove shooting Club is committed to host the Jim Kasten Memorial Cup, sporting clays shooting events.

What I'm asking to support these two first time ever shooting events is for a volunteer cook, to prepare lunch for about 100 participants shooters and guest.

Event date:

11 August 2019

Summary

June 2019

Board of Directors Meeting

Two prospective members were approved into full membership in the Club. The Club's Safety Data Sheet (SSD, formerly MSDS) notebook is being updated to follow Proposition 65 requirements. Anyone needing information regarding potentially hazardous materials in use/stored at the Club will be able to review the SSD Book in the sign-in shack. Proposition 65 awareness signs will be posted around Club property. Discussion was had about the number of non-Club members participating in the monthly Fun Shoot shotgun event. The decision was made to return this event back to its original intent – a perk for members. Starting with the next scheduled Fun Shoot (September 2019), non-members who are not immediate family of Club members, will no longer be permitted to shoot. The Board continued its discussion regarding reasons why members do not renew their memberships. Among the reasons given were moving out of the area, personal and/or family health issues, change in schedule, the relatively inexpensive cost for non-members to participate in public events, and inability to complete the annual non-monetary assessment requirement.

The Youth Trap program had 19 shoots during fiscal 2018-19. Fifty-one youth participated during the year. Many thanks to Cheryl Robertson for her efforts to make this program such a success. As Cheryl, and her family, transition to Arizona, Sue and Eric Johnson have volunteered to take over management of the Youth Trap program. The existing Coaches will continue. New Coaches are always welcome. This is an easy way for the Club to help encourage new shooters to try and enjoy a part of our sport.

The Skeet Evaluation committee presented a proposal to the Board for establishing a skeet field within the Club property. As a first step toward doing this, the Board approved the laying out the area within which the two required trap houses and shooting stations will be located. This will be at the western side of the 100-yard rifle range berm. More to come as this program develops.

READING THE CLUB CALENDAR

Cheryl Robertson

The club calendar, available on the website at <https://lgrgc.com/calendar>, is running a little more smoothly thanks to input from our members. We wanted to let you all know that the color key on the left side of the calendar (see photo, what's circled in red) tells you on which range each event is taking place. The club rule is that when there is a scheduled event, other ranges are closed for this event unless otherwise noted, and we have several events that do allow shooting on other ranges during their event. This color key will help you figure out what ranges are in use. Here's what they mean, from the top of the list to the bottom:

Teal Green-Archery

Green-Clubhouse

Purple-Entire Range—no open shooting

Yellow-Offsite Event

Black-Pistol Pit

Orange-Range Maintenance time (entire range closed)

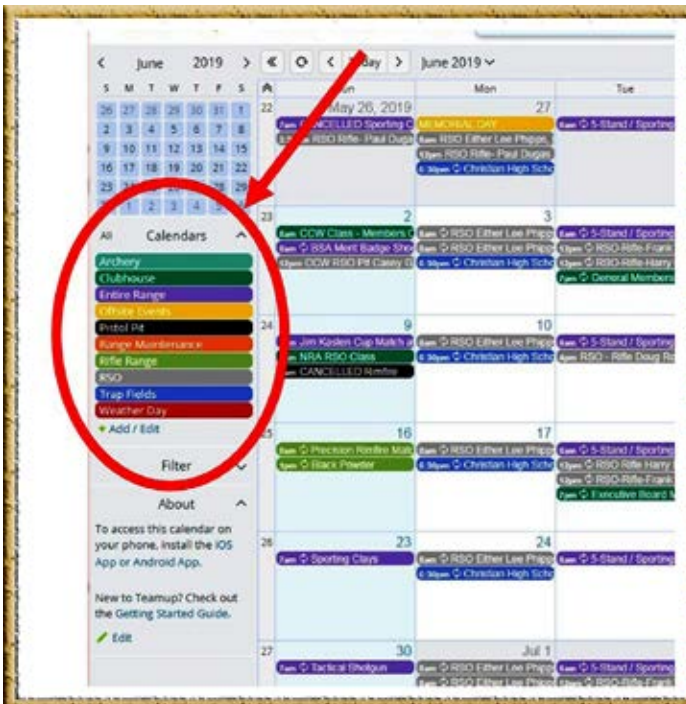

Light Green-Rifle Range

Grey-RSO time (could be pit or rifle, and the RSO indicates that in his scheduled time)

Blue-Trap Fields

Red-Range Closed for Red Flag Warning

For those of you who are color blind, you can click on the event you're interested in, and in the box that comes up, under "calendar," it will say what range is in use for that event. Thanks for your patience as we iron the kinks out of our system. And thank you for all the members who are calling and e-mailing to help me keep the calendar as accurate as possible. If you notice a problem with the calendar, please send an e-mail, with the event date, event, and problem, to calendar@lemongroveguncub.com.

BLACK POWDER

Ron & Katherine Major

Only one shooter showed up this month, so there was no Black Powder Shoot. There was no Black Powder Shoot last month because I was on the American Queen River boat cruising down the Mississippi. In July, the Black Powder Shoot will be a Black Powder SHOTGUN shoot.

Since there was no shoot below are the pictures of Ron and Katherine's anniversary cruise. Happy Anniversary!!!

All items offered for sale must be sold in accordance with federal, state and local laws.

Advertising

¼ - \$35 per year for non-members or commercial ads. The year will run concurrently with the membership fiscal year.

Personal ads are free for members and will run for only one month unless additional months are requested.

LGR&GC

General Meeting Minutes

June 4, 2019

Meeting called to order at 7:00 p.m.

Pledge of Allegiance

Roll Call:

All board members present except for the following who were excused – Paul Lichtenstein.

Previous Meeting minutes

Motion by Clyde Wilson and seconded by Rod Tetrault to waive the reading of the minutes from the last General Membership Meeting. Motion passed.

Correspondence:

Lakeside Sportsman's Club, Alpine Sun issues, American Rifleman, a Thank You card from Boyscout Troop 271 for the Shotgun Merit Badge outing that they had this past Sunday. They had a very good time. Smith and Wesson is putting out a safety warning on M & P 1522 Rifles. For whatever reason they sent a copy of the go no go gauge to see if it would pass. You are more than welcome to borrow this.

Prospective Members:

If you don't have your white cards up front you may not get credit for attending the meeting. After the meeting Prospective members and sponsors need to go over and visit with Casey for a few minutes to get the scoop on how the process will go forward.

Prospective	Sponsor
David Clothey	Rick Norfolk
Monty Koch	Andy Kyne
Marc Cohen	Colton Beery
Billy Jensen	Pat Dillistin

Long Range Planning and Environmental:

Doug Norman reported. Reviewing the documentation and the prop 65 warnings. Our big concern on the range is lead. About every year I put out the best practices for Board members bible for range operations. We are working on a longer range for long range rifle shooters. We've got to run it by Doug and run it by Dave if you are allowed to shoot there you'll have to get some qualifications.

Hospitality:

Carol Swartz reported: Please have prospective members sign in on the sign in sheet.

San Diego County Wildlife Federation Rep:

Mike McIntyre not here.

Treasurer: Brian Carty reported: Unusual expenditures were insurance which was the club insurance and the Board of Directors insurance. We spent funds on sporting clays for batteries and supplies and for the installation.

Range Safety RSO:

Dave Red. Thanks to the RSO's who make sure we stay safe on the range. Without them we can't shoot anything but shotguns. RSO refreshers we have two more of them scheduled in July. We just did two this past month. They turned out pretty good. We're going to do one on July 17th from 5pm to 7pm and July 27th which is the day of the work party. We're going to do it right after lunch

at about 1pm till about 3pm. We do about three a year so pick one if you need the refresher. For those who want to become an RSO we are going to do an RSO class on the 28th of July from 8am to 6pm. There is a lot of information. Everyone is staying safe at the range, we're not hearing about any problems. They put at the 50-yard line there is a telephone pole that goes up in the middle of that we are only authorized during open shooting only shoot to the left of that pole. And don't shoot to the right and don't shoot that pole. If you are shooting wood at the range all you're doing is destroying club property. Whether you think it's there for a target or not, it's not. Only shoot at designated targets and take a designated paper target and put it on the front of the wood. Those things are not free. Don't shoot at club property. If you are an RSO and you see someone shooting at that. Stop them! If you ask them to stop and they shoot at it again, kick them off your range. They are willfully destroying club property. When you are hanging targets in your bunkers make sure you hang the target low enough so that if you miss around the outside it is going into dirt, not into wood. It is fire season, remember if we have a high wind or red flag warning we are shutting down the range to all shooting activities. Wendell Trent reminded people to take care of the weeds around their trailers at the range.

If you have motorhomes at the club, please keep the weeds taken care of and make sure it is ready to be moved if there is a problem at the range. Check the club website before you come up to the range for a red flag warning. No cross range shooting. You need an exception letter to the board to make sure you are safely using the berm if you're going to be cross range shooting. June 15th Alan Cole and his wife Marie are putting on another CPR first Aid class. It is 60.00. It starts at 8am and goes till noon or one. If you get 20 hours of time as an RSO you can get the club to reimburse you for the cost of the class. There are three or four spots left for the next class.

Membership:

Casey reported: 202 Regular members 154 Senior, Gold 48 and Military 4. We have had two life member cards made at Time's shop.

Range Chair:

Jerry Hartman reported: The last work party was very nice, and we had 21 people there. They did a great job of getting rid of a lot of mustard weed that was growing around. We had some great leftovers from the installation party. Our next work party is this Thursday, and we will be setting up for Archery. We are getting a load of clays in.

Activity Reports:

Friday Night Pot Shoot:

Larry Sanders reported. For the month of May we had 5 shoot events with a total of 126 shooters. We did have two Saturday night Pot Shoots. I would like to thank Layne Kuhlmen, Ray Gabaldon, Rod Tetrault, Dave Shannon, Wendell Trent, Herb Snyder, Stu and Norma

Fun Shoot:

Frank Valdez reported: We had 40 members and 4 nonmembers. Our next fun shoot is not until September 8th. There is no Fun Shoot this month.

Sporting Clays:

This past month Sporting clays was cancelled.

Tuesday 5-Stand:

Rod Reported. 63 shooters

Interclub trap:

Ken Jossenburger reported: Maywood took the trophy for the year. The next event is next Saturday, and Lemon Grove will be hosting. We still have six clubs. Vado del Rio is dissolved but Redlands shooting park has joined in.

Youth Trap:

Rick Norfolk reported: Want to thank all the people who came out to help us. Next Saturday we are preempted by the Interclub shoot. The next shoot will be on the fourth Saturday. Kids sign up at 12 o'clock and start shooting at 12:30.

There will be a handful of Boy Scouts from the troop this weekend who want to come out.

Tactical Shotgun:

No Report

Action Handgun:

No report

WOT:

Eric Johnson reported. The next event is in July 14th. Please email me if you can mentor and help. We are a little shy of women for this next shoot.

Action Rifle:

No Report.

Boy Scout Merit Badge:

Jerry Shiller reported: There were 11 shooters for their shotgun merit badge. They all got to do a lot more shooting than when there was 30 the previous time. They all had a great time.

Archery:

No Report

Black Powder:

Ron reported. We didn't have a black powder shoot last month but we will this month. In July we will have our first Black Powder shotgun shoot.

Low Light Handgun:

Dave reported: We do this once a month in the pit. Low light, no light. Learn to run your gun with a flash light.

Rimfire:

We have a Rimfire match June 16

Precision Rifle:

Doug Roper reported

Defensive handgun:

Stan Luhr reported: The rain is starting to subside. The mud is getting a little firmer in the pit. We still have two events per month. What I have seen is a lot more women coming out. Husbands, boyfriends bringing their women out to attend the first defensive class. It appears we are getting a lot more people on the first event. We still have our stand bys that keep coming out. Those of you that are getting your CCW permits this is a pretty good place to practice because we practice drawing from a holster. As you get more practice we show you how to draw from concealment in the advanced classes.

The Jim Kasten Memorial Shoot:

Was held at Maywood. They won, but Sara Sherlock got high junior and high woman. She got \$29 of their money. Our second match with Maywood is this coming Sunday at Lemon Grove.

Hybrid Pistol:

No report

2nd Amendment Shoot:

September 28th we will have a double event both Randy Voepel and Brian Jones are putting it on. We don't want too many people to show up. We are going to try to have more booths by club members. No charge. We are trying to have a more festive event. We will have more time to set up. I anticipate a better showing than last year.

Unfinished Business:

We had an election last meeting, but we still need volunteers. In the past we received a grant for the Family shooting sports day and we didn't have one last year because we didn't have a chair person. We have ammo that we received last year on an NRA foundation grant that I would hate to have to send back to the foundation. We need a club Parliamentarian. I have an existing board member who says he knows Roberts Rules of Order and would be willing to be the Parliamentarian if he takes that then I need someone to step forward for a one-year director position. The Youth Trap Coordinator is moving out of town and the staff of Youth trap is still going to be here. Someone would be needed to fill Cheryl's position and the staff will help you. If you have any questions about that program if you show up on the range on the 2nd or 4th Saturday around 12:30 you'll be able to see what they're doing with the program and where you might be able to fit in. We need a webmaster.

Then is there any other unfinished business from the Board?

Any unfinished business from the floor?

New Business:

Is there any new business from the Board?

10 percent awards and Super RSO awards are available. Polo Shirts for 10 percenters as well and Ammo cans too!

The new membership directories are complete and the revised SOP's are available.

Any other new business for the Board?

Any new business from the floor? Someone asked about plans for the skeet range. The skeet subcommittee has not reported back to the full board yet. There has been no progress.

Get your ammo. From July 1st to July 7th Walmart will not be selling ammo. You will need to pay a dollar after July 8th for a background check to buy ammo. Get with the CRPA they will have a webinar about it. Any of you who know active military take them to lunch in Arizona because they can buy all the ammo they want and bring it back into the state legally. They can't sell you the ammo but they can give it to you as a gift. If you have an FFL you can get ammo delivered to your door. If you have the guns registered to you it costs a dollar. You must give your name your address your phone number and your private information that they keep on file. Nobody knows what's going on. There is no way it's going to be up and running July 1st. Jerry S. said he spoke with David Chong and there is an educational exemption that we would fall under with our clinics and our scout merit badge shoots. So, giving a student ammo to shoot that's on our range and is entirely consumed on our range is legal. On the pistol side, is it legal to transfer a personal firearm to someone at the range. If you are right there you are letting someone shoot your firearm.

For the prospectives: When you come to pick up your white card make sure your name is on this roster, which is our record that you were here.

All the chairs go along the wall not in the closet! Motion by Brian and seconded by Frank to adjourn the, meeting. Motion passed

Meeting is adjourned at 7:45pm.
