President's Message

Jerry Shiller, President

President@lemongrovegclub.com

The Board continues to have discussions regarding the impact of the corona virus outbreak on the Club, including a complete shutdown of all activities. Input from individual members is always welcome. You may contact me through the Club website, or directly at lgrgc_prez@cox.net.

There is a little good news, albeit likely temporary. AB 3071, the bill which would ban all lead ammunition from indoor and outdoor shooting ranges, has been pulled from the current legislative session. While this is good news, it would be naïve to think it is permanent. Too many legislators, and a vocal minority of California residents still think all firearms are bad, and gun owners are evil. I urge all members to participate at whatever level is possible for you; join or donate to California Rifle and Pistol Assn, Gun Owners of California, NRA Members Council of San Diego, or San Diego County Gun Owners. Stay safe and healthy. Jerry Shiller, President

SOP Change to NMA

S.O.P. addition (based on October 2019 vote by membership to allow N.M.A. completion by payment in lieu of work/participation):

Chapter 2 - Policy Manual

4. Membership

G. Participation fulfillment and exceptions

v. A member may opt to pay \$150.00 in lieu of working to satisfy the 8 hour participation requirement. The choice to pay must be made when a member submits their renewal paperwork during the renewal period of February 1 to April 30. The choice to pay is all or nothing – there is no partial payment to offset some portion of the requirement. A member may not opt out by payment at any other time during the year and, the Board will consider that member in violation of the non-monetary assessment requirement, and take appropriate action. New members must complete the non-monetary assessment during the first membership year in which they join the Club.

Summary

March 17, 2020

Board of Directors Meeting

The Board approved seven new members into the Club. Make it a point if you see/know them to welcome them into the Club. Member Ronnie Smith told the Board that he had received enough donations to go forward with the memorial plaque for long time members John and Wilma Schreuer. The Board has previously approved naming the utility building/signup shack in their honor. Dedication will occur during the installation when it is rescheduled. The Board approved the annual request from Lakeside Sportsman's Club for a pallet of clays. Elections have been postponed since the April Members meeting was cancelled. Most of the Board members up for election have agreed to continue for the next two years. However, Director Derek Alcaez and Vice President Lorrie Smith have expressed a desire for others to step up. So far, I have received interest in becoming a Director from only one member. Other places where members can volunteer to help include Installation Chair, Election Chair, and NRA Foundation Representative.

The Board spent considerable time discussing what the Club's response should be to the corona virus outbreak. In the end, the Board voted to temporarily, through April 30, ban non-members from Club property, to permit RSOs and Shoot masters the discretion of cancelling open shoot times and events, and to cancel the General Members meeting and elections. The Board also recognized that the outbreak has impacted members in their ability to satisfy the annual NMA requirement. To that end, the Board will allow members to renew who have not completed a work party but have performed at least 8 hours of service to the Club since May 1, 2019. Renewals must still be completed by April 30, 2020.

Club NRA Recruiter

Casey Gastrich is the Club's NRA recruiter and renewals through him benefit the club financially. Please renew your NRA membership through him.

NRAAFSD

The NRA Family Spots Day is scheduled for May 25th. A lot of help will be needed so please contact Paul Dugas at pdugas@msn.com for info or to volunteer.

Trap Machines

If you have not been trained on the trap machines, don't mess with them! If you have been trained, DO NOT try and make the machine run beyond its limits. The limits are there to prevent damage to the machine and exceeding them is going to cost the club money.

Get trained and use the directions in the SOPs for operating them. There should be a copy of the instructions in each trap house.

Hospitality Chair

Carol Schwartz has resigned as hospitality chair so please contact the president if you would like more info or to volunteer. Email Jerry at lgrgc_prez@cox.net

For Sale - Cash

RV Parking Renewal

Wendell Trent is coordinating the stickers for this year so please turn in your RV permission letters to him.

All members wanting to park their RV on the club property shall submit a signed agreement for approval.

Renewals shall be submitted between February 1 and April 30, of each year. Any RV not registered by April 30, will be towed from the property.

The RV parking agreement is available on the website: http://www.lemongrovegclub.com/RV_Parking.pdf

You can also mail them to the club address Attention Wendell Trent.

Note that this must be done every year.

Cash Turn-In

The Secretary and Treasurer ask that cash being turned in either be consolidated to the fewest number of bills or, turn in a check.

For example, instead of turning in 20 one dollar bills, convert it to a single twenty dollar bill.

FUN SHOOT

FRANK VALDEZ

(619) 250-4734, valdezfra@gmail.com

** Fun Shoot will be closed to all non-members of the club **

Subject: Fun shoot, 2020, calendar

The April general meeting has been cancelled.

It is not known with any certainty when general meetings will resume but for now, the May meeting is still scheduled.

Membership Renewal

You should have received your membership renewal documents. If you have not contact the membership chair at: cgcaus@yahoo.com
or
(619) 445-8871

All documents must be received or postmarked no later than 30 April 2020 to be accepted. Note that 7 April 2020 is the last regular meeting and 21 April the last board meeting at which you may renew.

For this year, there is an optional NMA opt-out fee of \$150 and it must be paid with your renewal if you choose opt out of doing your NMA.

The following items are **MUST BE INCLUDED** regardless of whether you are renewing in person or by mail::

- Renewal notice
- Dues
- Photocopy of NRA card
- Completed NMA card

(Life NRA members do not need a photocopy of their card)

The following items are optional:

- NMA opt out fee
- Self-addressed stamped envelope

You may renew by mail or in person at the Feb, Mar or April General Meeting.

New membership and NMA cards will be sent to you when you include a self-addressed stamped envelope (SASE). Your gate card will be activated for the new fiscal year when renewal is completed.

New NMA cards may not be signed off before May 1, 2020.

Elections have been postponed due to the COVID crisis. A new date has yet to be determined.

Upcoming Elections

Board elections will be held at the general meeting on April 7th. If you are interested in running for office you must meet the following criteria:

1. Be a Regular, Senior, Life or Gold Member
2. Have been a member for at least nine (9) months prior to election
3. Have attended 3 general meetings

Here are the offices up for election:

- Vice President Lorrie Smith
- Treasurer Brian Carty
- Sergeant at Arms Jim Williams
- Directors at Large
Paul, Lichtenstein
Frank, Valdez
Derek, Alcaraz

The Sergeant at Arms is elected every year and the remainder two year terms.

Last but not least, we need a volunteer to chair the Election Committee. For more info contact the president at lgrgc_prez@cox.net.

Mobility Assistance Device Use Renewal

All members desiring to operate ATV or other mobility assistance vehicles on the property shall submit, to the club Secretary, a signed agreement.

Renewals shall be submitted between February 1 and April 30, of each year.

The form for ATV, cart or mobility assistance device usage is available on the website at [Mobility Asst. Vehicle Form](#).

Note that this must be done every year.

RV Parking at the Range

As courtesy to members, the club allows RVs to be parked at the range but is not intended as a storage facility.

- A. Permission must be obtained from the Executive Committee to park an RV at the range.
- B. See Appendix J of the SOPs for all requirements.

Information on how the CCW licensing division has been affected by the COVID-19 policies

By Joe Drammissi CA Gun Laws, Activism, CCW, Ammunition, Blog
[2nd Amendment SDCGO San Diego County Gun Owners Second Amendment california gun laws ccw concealed carry](#)

Remember, this is all in response to the COVID-19 outbreak and NOT intended to describe permanent changes. Once our public health situation normalizes, they will go back to business as usual. The situation has been further complicated because the outbreak happened at the same time they are implementing a new computer system to run the CCW application process.

From the San Diego County Sheriff's Department:

"All of this is very fluid with the current state of affairs. There may come a time where CCW Instructors may not be able to give the safety course. For initial applicants we will be able to extend the time frame for them to take the class but will not be able to issue the permit until the requirement has been fulfilled. The same would hold true for renewals, should their permit expire they will not be required to start over but we could not issue until the safety course is completed."

Questions:

Are you taking new CCW appointments?

We currently have suspended taking initial appointments while we are integrating the appointments we currently have on the books into our new online system. We have started contacting those with Initial appointments starting the last two weeks of March and after to download their application into Permitium. This is not open to the general public until April 1, 2020, each person we contact is given a one-time link to use. Beginning April 1st, the website will be available to the public. They will be able to go to our website and click on the link to submit their applications and make an appointment.

What do people do about renewals?

Right now renewals are still making appointments and coming into the office to be processed.

What about people who had appointments in March and April?

As stated in the first response, we are contacting them to submit online with a one-time link, if we are unable to contact them, they should come into the office as scheduled.

Is licensing open for business?

Yes, we have posted a notice on our website, that we will not be doing any fingerprinting for the public at this time due to the COVID-19 outbreak and social distancing. If

in doubt, please call Licensing at 858-974-2020. We are limiting the number of people in our lobby at any given time.

What do you want people to know?

Please do not come into our office if you don't have to, any questions call us and watch our website for updates.

NOTE: The number for licensing is **858-974-2020**

Please only call them if you absolutely must speak to someone. Please do not call the clerks or managers directly right now. They are too busy.

Used with permission of Joe Drammissi and San Diego County Gun Owners..

Range Flag Protocol

A new procedure being implemented concerning the flags at the range:

Red – The range is hot.

Yellow – The range is cold and someone is working down range.

Please pay attention, especially to the yellow. Don't assume that someone just forgot to take it down!

The wording for the SOP revision is a work in progress but will be available soon.

RSO Reminder

Leave the range in good condition when securing the range - trash dumped, old targets removed from down range, brass policed, etc.

Member Reminder

If you use the club house, please clean up before you leave - trash dumped, dishes washed, floors swept, etc.

No Smoking Areas

Smoking IS NOT allowed on the range or in any building with the exception of the picnic area and the area around the utility building.

Unused Gear Donations

Do you have so unused gear laying around that you would like donate to the club for installation drawings. Contact Lorrie at trakracer@cox.net.

2020

Jim Kasten Memorial Cup

In honor of Jim Kasten we will be holding FOUR sporting clay matches in 2020. Two of the matches will be held at Maywood Rod & Gun Club, Perris California, and Two matches at Lemon Grove Rod & Gun Club, Alpine California. The winner of the Jim Kasten Perpetual Memorial Cup will be determined by the club winning the best of 4 matches and will be awarded at the conclusion of the final match on 14th June 2020. The top 10 scores or equal to the club with the lowest attendance will add together and the club with the highest combined score will be awarded the win at each of the 4 rounds. All squad will have minimum of 2 members from the opposing club when possible

Each match will consist of 100 Sporting Clays targets set to presentations designed by each respective clubs.

Match individual award are open to all club members from Lemon Grove and Maywood gun clubs. All guests will be eligible to shoot for targets and compete for any side pot options only. All gauges and calibers are allowed. All shooters must declare club at sign-up. All NSCA rules shall apply. No shot size larger than 7.5 shall be used at each club. All ties will be shot-off at a station designated by the host club. Club ties will be shot-off with the top 5 members from each club. Any issues should be brought to the shot master attention asap and will be settled by the end of the match.

Fees and Charges:

\$40.00 Adults / \$20.00 juniors (under 18yrs old) lunch included
Lemon Grove Shoot tickets honored @ Lemon Grove Gun Club
Maywood shoot tickets honored @ Maywood Rod & Gun Club

Awards and Trophies:

LGR&GC

General Meeting Minutes

March 3, 2020

Meeting called to order at 7:00 p.m.

Pledge of Allegiance

Roll Call:

All board members present except for the following who were excused – Sarah Jones & Paul Lichtenstein. Two Members absent Derek Alcaraz & Paul Dugas.

Previous Meeting minutes

Waived. Motion passed.

Correspondence:

No information

Prospective Members:

If you don't have your white cards up front you may not get credit for attending the meeting. After the meeting Prospective members and sponsors need to go over and visit with Casey for a few minutes to get the scoop on how the process will go forward.

Prospective	Sponsor
Norman Hall Sr.	Henry Watkins
Carl Allway Jr.	Mike McCulloch
Robin Chambers	John Chambers
Will Anderson	Garret Hardi

Long Range Planning and Environmental:

Lorrie: Sometime this week we'll get the final draft of the aerial view of the club property and some other things that were going to be given to us which is a complete layout of our utilities. Everything from electrical to water. That is not part of what we paid for, but it was kind of a side benefit of having the property flown by drone by this particular company that did it for us, which was very nice of them. They were practicing with some new software that they had, and we are getting the benefit of that.

Hospitality:

Carol Swartz reported: Please have prospective members sign in on the sign in sheet.

San Diego County Wildlife Federation Rep:

Mike McIntyre not here.

Treasurer:

Brian Carty reported: Unusual expenditures were the clay targets and range mapping.

Range Safety RSO:

We all voted today right? If you didn't vote, please when you get out of here go vote tonight. Haven't really had any range safety issues and that is thanks to you and all the RSO's and shoot masters. In May we're going to start doing the RSO refresher courses. I will get the schedule out I will get them in the club newsletter and I will email them out I will not be at the next four general meetings to let everyone

know about it so look at the emails coming out and look at the newsletter. It will be a couple of months before we have any RSO classes. If you've been on the range quite a bit and you are not an RSO now please when we have the classes come out and do them and we keep the classes as cheap as we can and get you out there. The more RSO's we have the more open shooting time that we have.

Ron Major is doing fine he is out of the Hospital.

Membership:

Casey reported: 224 Regular members 170 Senior, Gold 48 and Military 4 and 122 openings. And for the prospective members make sure you've signed in at the back of the room and we'll see you at the end of the meeting.

Range Chair:

Jerry Hartman reported: At the work party we had 57 people sign in. We probably had more than that some people don't sign in. Some of the jobs we got, Sarah our secretary and Bill cleaned up the front gate and put new reflectors on there. We also changed the solar out there. We had a crew with William Trevino they went ahead and installed conduit from the sign in shed to the battery shed. We even got the conduit in the ground. Another group went down and did a lot of work in the pit cleaning out the targets and everything down there. One of the things that started all of our work parties are rain or shine. It was nice and shiny in the morning it started to rain about 10. We had to close everything down at 10:30. Stan our cook had to leave town but our Friday night before he took everything out and put it in our refrigerators, we had someone heat everything up. We were pretty much done and out of there by a little after 11:00. Our next party is not this Thursday but the following Thursday on the 12th. Thursday the 12th to help set up for Archery. Other than that, we had a good time. This month the Saturday work party is on the 21st. This is one of those rare months where the 4th Sunday comes before the Saturday. For those of you that need to do a work party for your NMA here's your chance.

We have one more prospective member here.

Activity Reports:

Friday Night Pot Shoot:

Larry Sanders. Friday night Trap for January we had 5 shoot events. We had 96 members, 32 nonmembers for a total of 118 shooters. January Saturday night we had one 13 shooters all members. For February Friday night Trap shoot we had 4 shoot events for a total of 86 members and 21 nonmembers for a total shooter count of 107. We had a Saturday night pot shoot with 11 members. The people I want to thank is Rod Tetrault, Ray Gabaldon, Wendel Trent and Dave Shannon, Layne Kuhlman, Herb Snider, Stu, Norma, Bill Sergeant, and a new member that stays after everyone is gone is a new member Mahina.

Fun Shoot:

Frank Valdez: The next Fun Shoot is this coming Sunday. We will have Trap and 5 Stand.

Sporting Clays:

February Sporting Clays we had 125 shooters. Next

Sporting Clays is on the 22nd of this month we also have a corporate shoot on the 20th of this month. So, we have two shoots this month.

Kasten Cup:

Frank Valdez reported. We had one match won and one lost. The next match is May 3rd. Two more matches.

Tuesday 5-Stand:

Rod Tetrault reported. We had 170 members and 83 nonmembers. Two months in a row we had 74 shooters. Come early stay late

Interclub trap:

No report

Youth Trap:

Sue Johnson reported. In the month of February, we had Youth Trap. I would like to thank Ron Smith, Fred Willis, and Bob Hensley for helping being mentors.

February 22nd, we had to cancel the shoot because of rain. Our next shoot will be March 14th.

Tactical Shotgun:

No report

Action Hand gun:

No report

WOT:

Sue Johnson reported. Next WOT is April 12th and it is Easter. March 26 through March 29 is the Fred Hall Boat Show. Shooting groups will promote NRA membership. Advertising for Family Sports Camp

Sporting Rifle:

No report.

Action Rifle:

No Report.

Boy Scout Merit Badge:

Ronnie Smith. The shoot scheduled for February up against the Superbowl got passed on. There is a shoot on April 5th. A rifle shoot for troop 676. We need mentors. Please contact me. We have 23 people signed up. And Ronnie received an ammo donation tonight that is up by the President's desk waiting for him

Archery:

No report

Black Powder:

Ron Major not here

Low Light Handgun:

no report.

Rimfire:

No report

Precision Rimfire:

We had a precision rimfire match on February 29th. We had nine shooters. We had a centerfire match a couple of days ago and we had 13 shooters. Wanted to thank Jerry and Jim for getting the roads straightened out at the range.

Defensive handgun:

The next gun clinic will have several new members. The

beginner's class is the second Friday evening of the Month.

Hybrid Pistol:

No report

Unfinished Business:

Membership renewal period started February 1st. Runs through April 30th. If you have not yet received your renewal package in the mail you need to talk to Casey. Because he says he sent them out. Casey got a call today from one guy. This is the first year where the Board has allowed people to buy their way out of their NMA requirement. For \$150.00 you can have the actual physical 8 hours of work waived but you must make that election when you do your renewal. You can't wait until eight months into the year and say "Oh, I'm not going to make it I want to pay for it." You have to make that choice before April 30th.

At our next members meeting, Tuesday April 7th we have the annual elections for Board members. This year up for re-election are the Vice President, the Treasurer, Three of the at large Directors and Sgt. At Arms. Several of those people have said that if someone else wants to run they will be happy to have them run. But if they don't, they're willing to continue. Also, it would be nice to have an election committee chairperson. That person runs half of that meeting where we have the elections. Mike Randall has done it several years in the past. He has asked to retire from it. If you need to know what that position entails send Mike an email and he will help you through the process.

The annual Installation of officers and member awards is Saturday May 9th. Andy Kyne has said he will be willing to do some of the cooking, but he wants help. We also need somebody to oversee the awards and the master or mistress of ceremonies that day. Anybody that's interested in that please contact Jerry Shiller.

NRA Family Shooting Sports Camp for 2020 is scheduled for Memorial Day Monday May 25th. That was the only day that would fit on the calendar. Without bumping some other activity. So, we have a chairman for that that's Mark Hopewell. Mark will be needing mentors. Also, if there's anybody in the club that has EMT or paramedic license in the state of California you could take care of a lot of your NMA requirement by volunteering to be on site that day. This year Sycuan Fire department paramedics are not available. They have in the past done a fine job. If you know somebody in the club that has their California Emt or Paramedic certification have them contact either Mark or Jerry Shiller.

Then is there any other unfinished business from the Board?

Any unfinished business from the floor?

Ronnie: Most of you know that we are trying to do a memorial for John and Wilma. Been trying to get a plaque for them it's about \$400.00. I'm at \$250 right now if you donate, we will appreciate it. Then we can set a date for a future ceremony.

New Business:

Some of you may have heard that our Friends in the California Legislature are at it again. There is a proposed

bill AB 3071 that proposes to ban all lead ammunition on indoor and outdoor ranges. So it's in a 30 day procedural hold right now. Before it can come to the committee again to see if it can be voted on. To see whether it gets out of committee. In the meantime, everyone in the shooting community needs to bombard the legislature how bad this legislation is. I'm sure you want to yell and scream at them for being jerks and worse. But to get your point across send them a well-reasoned email. How it will impact the clubs. It will impact youth shooting sports in the state. How it will impact law enforcement training procedures. They are talking about banning all lead ammunition in indoor and outdoor ranges. Get your emails fired up!

Jerry H.: Frank is asking that someone will step up and take over for (Frank Valdez) on the 8th of this month. Back in January we lost somebody that has lived here in San Diego all his life he was a big proponent of the 2nd Amendment. His name was Bob Maupin. There is a memorial for him on his property out in Boulevard. On the eighth. I found out that Frank worked on his property back in the 70's when he was in the National Guard and I think it would be fitting for Frank to come so if somebody could step up and do the Fun Shoot for him on the 8th I would really appreciate it.

Clyde: Talking about the lead ban you should know that in England right now they have a lead ban that is going into effect for all shotgun and rifle for sporting clays on ranges and whatever. This is just going to trickle down to us eventually.

Is there any new business from the Board?

Any new business from the floor?

Ronnie: Maryanne and I have been working on the Friends of the NRA program for 17 or 18 years now. There is a change with their leadership. Mike Davis is no longer with Friends of the NRA he was our representative to the NRA. That position, they've replaced him now, but they haven't announced who it was. And the regional director I have some personal conflicts with him. And I really don't want to work for him. It has to do with a lot of things that are going on in the NRA. Maryanne and I are going to step down after this year. If we want to keep a voice in this organization and we are the ones that decide where those funds go, what clubs they go to, what funds we give out and who we give them to. So, it's pretty important that we have representation. We will stay through this year to help guide somebody through this process. If you are interested it is really rewarding to do it. It's nice to be able to go up there and say hey this is what we need this is what we want to concentrate our funds that we get. It is a lot of work but also a lot of fun. We are going to give it up. Normally they're willing to take anybody willing to step up. But we don't make the decision.

Dave Reed spoke about the importance of having someone in this position to help change people's minds about the shooting sports and the importance of the programs like Shooting Sports camp and WOT. How it is important to reach out to the public to impact their opinion about the shooting sports.

CCW in San Diego. Who wants one and they can't have one? San Diego is approving a lot of people right now. People getting denied have a reason that they are getting denied. Right now, they have shut down the application process they are not bringing people in for interviews right now. This is a good thing. They are changing the way they are doing things. They are shutting it down for a week or two so they can get a much more streamlined process in place. It was taking 8, 9, 10, 12, 14 months to get in to get the interview. They've changed that. They're changing that so maybe it's going to be a month or two. Maybe three at the most so they can get people in there. When this started about a year and a half two years ago there were about 1000 CCW's in San Diego County. There are over 4000 now. I get calls every single day from people looking for classes because they just got approved. It's a very good thing. If you want one go and get it. The Sherriff of San Diego County is loosening things up and that's because of the work of gun organizations that are out there. If you want a CCW, apply. If you've thought about a CCW, apply. The more we get out there the more evidence is that bad things aren't happening with guns. The more we can show the Sherriff that the gun community is good people. Website to apply: San Diego County gun owners if you go to their website or you go to YouTube and look at their video. They have videos in place to tell you everything you need to do. They also have about 8 seminars around town that will walk you through the process. On their website they also have all the different justifications that it works. You still must have a justified statement, but they are very lenient with it now. They are going to do a background check on you. If you go to the San Diego Sheriffs website licensing division and you can download the application from there.

We have had several people talk about the Grants that we get. Phyllis, I know I'm springing this on you, but could you tell the members here the grants that we applied for and recently received but let them know what impact the program has for the members of the club. So, I usually write the grants and we receive ammo for WOT and we received a couple of firearms. We also received ammo for the Boy scouts, and I have to send one for the NRA Family Sports Camp we receive ammo for that as well. At its maximum when we had all those grants and wounded warriors the grants that we received exceeded \$20,000.00 They don't anymore. That's money that supports our outreach programs that we don't have to pull out of our pocket.

There are no tourniquets in our first aid kits. Do you know who Alan Coles is? Send him another email and tell him I sent you.

Any other business?

For those of you that are prospective members get your sponsor up to see Casey and get your little card back and get some instruction.

All the chairs go along the wall not in the closet!

Motion by Jerry Vaughn and second by Clyde Wilson to adjourn. Thank you all for coming. Be Safe!

Meeting is adjourned at 8:56pm.
