President's Message

Jerry Shiller, President

President@lemongroveguncub.com

For those of you who have Prospective members that have completed all of the requirements for joining except attendance at a Board meeting, have them do the following: Make a copy of the small white card with the event signoffs; write a short paragraph addressed to the Board explaining why they want to be a member of LGRGC, and what skills they bring to the Club. Send both those items by email (quicker, preferred method) or snail mail to Membership Chair Casey Gastrich, AND to me. I also have a fax machine at 760 632-7947. We will circulate the information among the Board, and vote on Prospective members before the next Board meeting.

I am looking for a member who would be interested in becoming Club President next year. The current term (my 4th) expires April 20, 2021. Elections scheduled for Tuesday April 6, 2021.

Stay safe and healthy. Share our sport with a new shooter.

General Membership Meeting

The General Membership meeting scheduled for Tuesday January 5, 2021 has been cancelled..

RSOs and Shootmasters

For RSOs who want to self-schedule or shootmasters who would like the ability to edit their events on the calendar, email Calendar@LemonGroveGunClub.com.

Gate Closure

Do not lock the gate open during open shooting.

Please close the gate after sign-up has been completed for those events where it is possible to do so. We want to avoid folks coming in and wandering around the range especially when shooting is occurring.

Club NRA Recruiter

Casey Gastrich is the Club's NRA recruiter and renewals through him benefit the club financially. Please renew your NRA membership through him.

Summary

December 15, 2020

Board of Directors Meeting

The Board met via Zoom due to COVID restrictions. This meant that there were no Prospective members in attendance. See President's Message below for temporary Prospective approval process. Lorrie Smith reported that internal wiring in the new trailer had been modified to be compatible with a 110v generator. Additional modifications will be made for 220v compatibility. The Board voted to move the Club's Post Office Box from Lemon Grove to Alpine as a matter of convenience. All members and others will be notified when the change has been completed, hopefully before February 1 when membership renewals begin.

New PO Box

The Lemon Grove Rod and Gun Club has a new P.O. Box address. All future snail mail needs to be to the address below. We are beginning the process to have all address references online and otherwise changed.

RSO Safety Corner

Dave Reed

Safety while shooting trap while technically there is no RSO required while shooting trap if there is an RSO on the rifle range you must coordinate with them prior to going downrange for any reason. There have been two incidents recently where shotgunners went down range to load the trap house while the rifle range was hot, THIS IS EXTREMELY DANGEROUS FOR THE SHOTGUNNERS! The RSOs are present for the safety of everyone on the range, and they have the authority to remove anyone from the range, that means any part of the range (Pit, Rifle Range or Trap Field), for safety concerns. If there is an RSO on the rifle range when you arrive for trap stop by and say hello and let them know your intentions. With a quick two-minute conversation you can avoid a lot of issues and ensure everyone has an enjoyable, safe day of shooting.
